CUMBERLAND CITY COUNCIL

Fees and Charges

2026 - 2027

Fees and Charges

REVENUE POLICY

Council has incorporated a Revenue Policy into its annual Operational Plan.

The objectives of Cumberland City Council's Revenue Policy are:

- To meet statutory requirements
- To establish the total revenue required by Council to fund its activities
- To identify the revenue sources available to Council.

Council's Revenue Policy is based on the principles of Efficiency, Effectiveness and Equity, such principles guide the development of Council's Revenue.

Efficiency means to ensure that resources are devoted to the most valuable ends as determined by Council, whilst using as few resources as possible. It generally relates to the cost at which services and facilities desired by the community are delivered or provided.

Effectiveness relates to the satisfaction of stated objectives so that outcomes of decisions and the needs and demands of consumers are taken into consideration. Achievement is demonstrated by the provision of service standards that meet the needs of Council's customers.

Equity refers to ensuring that services are provided to those who need them, even though they may be unable to pay for the particular service. This document provides pricing policies for rates, annual charges and fees for specific services provided by Council.

GOODS AND SERVICES TAX (GST) DISCLAIMER

Cumberland City Council reserves the right to amend any fees and charges without readvertising with regard to any changes in the GST Legislation.

All efforts have been made to adhere to GST Legislation; however, in the event that GST has been applied incorrectly the relevant fee or charge will be changed by the appropriate amount.

PRICING POLICY

Council may charge and recover fees for any service it provides. For any fees in this document a Pricing Policy, which is made up of a number of principles is used by Council in determining the level of revenue to be raised from a particular revenue source.

These principles are not mutually exclusive; several may be used in determining the appropriate amount.

Pricing Policy	Code	Description
Full cost recovery	FCR	Prices are determined in order to help ensure that scarce resources are not wasted and can promote more efficient investments in infrastructure, services and personnel.
Minimal cost recovery	MCR	The pricing for these services is set below the financial cost of providing the service. The fees received are expected to make a minimal contribution towards the cost provision, with the balance being met from general revenues. This balance will be greater than 50% of the overall cost to provide the service. The principles associated with this pricing category may include the following: • expected to benefit the community as a whole • benefit of service may be spread across a large number of users including unrelated third parties; and • objective is to enable maximum access to the service, particularly keeping lower income users in mind.
Market price	MP	The pricing for these services is expected to recover the full cost of providing the service along with generating an appropriate rate of return. The principles associated with this pricing category may include the following: the service is provided under commercial conditions; and prices will be set to compete with other market competitors, but not to unfairly price others out of the market.
Statutory amount	S	This is the amount required to be charged by statute. Where this principle applies, Council has no discretionary power to alter the amount.
Substantial cost recovery	SCR	The pricing for these services is set below the financial cost of providing the service. The fees received are expected to make a significant contribution towards the cost provision, with the balance being met from general revenues. This balance will be less than 50% of the overall cost to provide the service. The principles associated with this pricing category will be similar to the ones identified for the Minimal Cost Recovery category, but to a lesser extent.
Security Deposit/ Bond	SD	To offset the cost of damages, non-return of Council property and unpaid fees.

PRICING METHODOLOGY

For any fee or charge not specifically stated in Council's Pricing Policy, Fees and Charges 2026-2027, Council determines fees in accordance with a pricing methodology being market rate. Should Council look to implement a fee other than market rate, the proposed new fee would be reported to Council for approval.

PENSIONER REBATES POLICY

Pensioner rate rebates continue to apply with eligible pensioners receiving a mandatory rebate on their Rates and Domestic Waste Management Charge, up to a maximum of $250.

In accordance with Council Policy, a pensioner voluntary rebate of up to $25 per eligible rate payer is also provided. Eligible pensioners who apply, own and occupy a dwelling in which they have resided within the Local Government Area for five continuous years can receive an additional $100 to a maximum voluntary rebate of $125 per financial year.

The maximum rebate for all eligible pensioners will be $375 per financial year (mandatory rebate up to $250, and a voluntary rebate up to $125).

LOCAL GOVERNMENT ACT 1993 - SECTION 68 APPROVALS

Section 68 of the Local Government Act 1993 sets out a range of activities that require Council approval. These include the following:

- Structure or places of public entertainment (Install a manufactured home, moveable dwelling or associated structure on land)
- Water supply, sewerage and stormwater drainage work
- Management of waste in a public place
- Activities or temporary enclosures on community land
- Activities on or over public roads
- Other activities as outlined under s68 (Part F) of the Local Government Act 1993.

STATUTORY FEES

Some fees and charges issued by Council are set by separate statutory bodies. Where a revised statutory fee amount is announced after Council has endorsed the fees and charges applicable for the financial year, the fees will be adjusted to reflect the maximum statutory rate.

FEE WAIVER CATEGORIES DETERMINED UNDER S.610E OF THE LOCAL GOVERNMENT ACT 1993

Section 610E of the Local Government Act 1993 allows Council to waive or reduce a fee, in the following circumstances:

s.610E(1) Category for Fee Waiver or Reduction - Local Business Stimulus.

Waive or reduce fees when, in the opinion of the General Manager or according to a resolution of the Council, prevailing conditions have affected the profitability of local businesses, including impacts arising from any or all of a pandemic, natural disaster, significant weather event or economic recession and the fee waiver or reduction is a warranted economic relief or stimulus.

s.610E(1) Category for Fee Waiver or Reduction - Act or Omission of Council resulting in an Unjustified Fee.

Waive or reduce fees when, in the opinion of the General Manager or according to a resolution of the Council, the applicant is incurring a fee as a consequence of an act or omission of the Council that has culminated in or caused the applicant to incur the fee unjustly and which warrants fee waiver or reduction.

s.610E(1) Category for Fee Waiver or Reduction – Personal Hardship

Waive or reduce fees when, in the opinion of the General Manager or according to a resolution of the Council, a fee payer is suffering personal hardship that warrants fee waiver or reduction on compassionate grounds.

s.610E(1) Category for Fee Waiver or Reduction – Financial Hardship

Waive or reduce fees when, in the opinion of the General Manager or the General Managers delegated representative or according to a resolution of the Council, a fee payer is suffering financial hardship that warrants fee waiver or reduction.

GENERAL INFORMATION

Builders Indemnity Insurance

Construction Certificates and Complying Development Certificates cannot be issued unless the applicant provides a certificate of insurance issued by an approved insurer under the Home Building Act 1989.

For Owner/Builder's, insurance is not compulsory. However, you should contact the Department of Fair Trading to determine your legal responsibilities in the event you wish to sell your house.

No insurance is required on works valued less than $20,000 value when carried out by a licensed builder.

An owner/builder's permit is required if the cost of works exceed $5,000.

COMMUNITY HALL/ROOM HIRE

The following fees and charges relate to the casual and regular use of Council's community facilities (halls, meeting rooms and community centres).

Council provides discounted (subsidised) rates for the hire and use of community facilities in accordance with the following categories:

Discount Category Definitions

Category "A" – Applies to not for profit community groups and organisations (other than religious/worship groups or political parties) that conduct meetings or provide services, activities or events at no cost for the benefit of the local community.
Community groups or organisations must be local to the Cumberland Local Government Area (LGA) and deliver activities where a majority of the participants are residents of the Cumberland LGA.

Category "B" – Applies to:
• Religious/worship groups where a majority of the members are Cumberland LGA residents.
• Local branches of political parties.
• Groups or organisations that charge minimal fees for providing their activity or service and can demonstrate that they are providing a local community benefit. This includes social, cultural, sporting and recreational activities (e.g. yoga, dancing classes) where a majority of the participants are Cumberland LGA residents.

Rates for Category "A" and Category "B" have been calculated based on the following discounts applied to the standard rate:

Category "A"
Monday - Friday: 95% discount
Weekend (Saturday and Sunday): 80% discount

Category "B"
Monday - Friday: 70% discount
Weekends (Saturday and Sunday): 50% discount

Council's parks, halls, and other facilities will be provided without charge for use by local organisations to commemorate events of National Remembrance, including ANZAC Day and Remembrance Day. This includes Section 68 Activity Application fees.

NOTE COMMERCIAL VENUES: Holroyd Centre, Holroyd Gardens Rotunda, Granville Multipurpose Centre, and Eric Tweedale Stadium function room are managed as commercial venues. Category "A" and "B" discount rates do not apply to these venues. In managing Council's commercial interests the General Manager can consider arrangements outside of standard fees and charges on a price on application basis for these venues.
