7. Applicant's Consent

Council undertake prepaid works of footpath & vehicular crossings only for single dwelling houses and attached/detached dual occupancy developments only.

The fees applies only for the design of vehicular crossing and footpath works within the street frontage.

Please note that a quote for prepaid works cannot be provided without a design. No additional fees applies for providing a quote for prepaid works if a public domain works design approved by the council's engineering section (not the da approved plans) is attached with this application.

Prepaid construction can be arranged once applicant satisfied with the quote, agree to the timeframe for the actual construction & expected delays and make the payment.

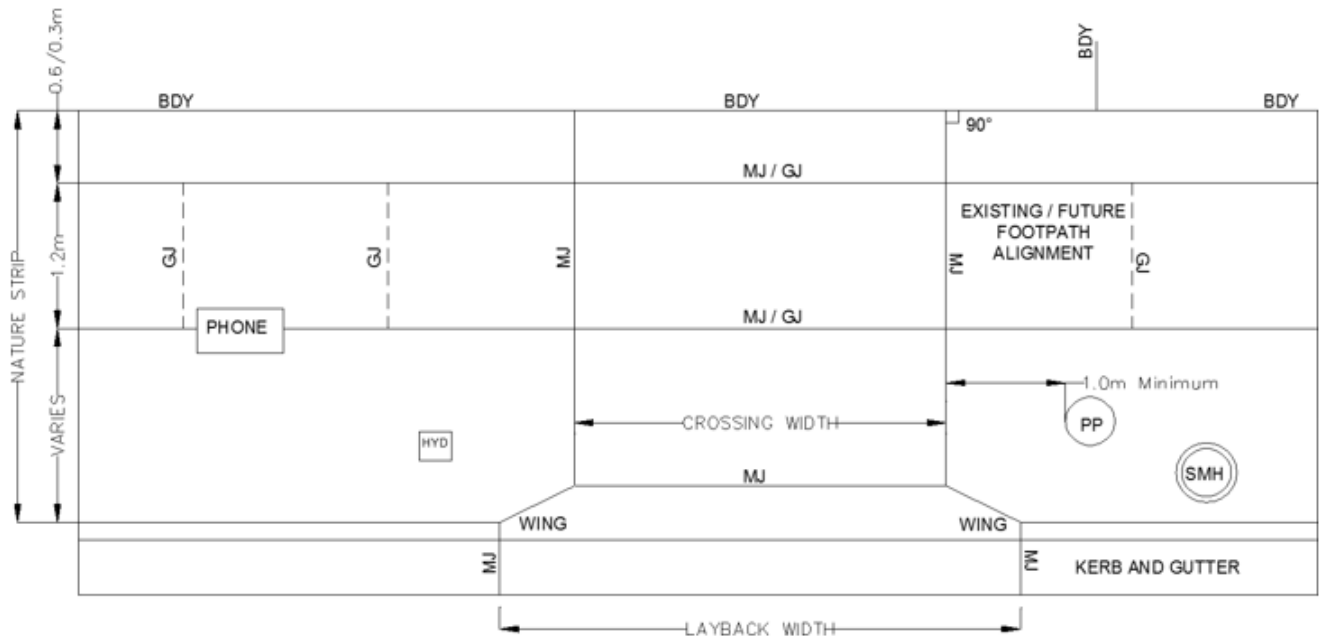

- I have attached all required documents & plans as per the checklist provided on page 2
- I understand that the design process will take minimum two weeks and occasionally longer than that
- I understand and agree to the above conditions and I have attached all required documents & plans
