

2023/24 Community Grants Program (Round 1)				
Application ID	Program Stream	Applicant	Project Title and Description	Amount
CP0001	Community Participation	Australian Islamic Cultural Centre	Eid 2024 - Building upon the success of the previous event, we are excited to plan another festival next year to commemorate the upcoming Eid celebration. The event will once again feature various activities for children and families, offering community leaders and political representatives an opportunity to join us and extend their well wishes to our community	\$5,000
CP0005	Community Participation	Parramatta City Swim Club Inc	Expanded Lifesaving Services - To increase the breath and scale of the Club's lifesaving activities to encompass around 10 times as many participants as currently involved. Currently the club only has a small amount of equipment. This grant will allow the club purchase additional equipment and services that will allow us to undertake this expansion.	\$4,500
CP0008	Community Participation	Multicultural Seniors Association Inc	MSA Seniors Life at Cumberland Area - We run 5-8 free weekly dance, singing and mobile phone classes for middle aged and seniors to improve their fitness, mental health and learning mobile phone knowledge.	\$15,000
CP0014	Community Participation	Royal Life Saving NSW	Learn to Swim for Youth Who Miss Out - Royal Life Saving NSW (RLS NSW), together with Cumberland City Council Swim Centres, will deliver a 10 lesson learn to swim program for 65 culturally diverse youth in Cumberland, who have little to no swimming experience. Participants will learn foundation swimming and water safety skills as well as enjoy a number of other social and physical health benefits	\$14,982
CP0016	Community Participation	Epilepsy Action Australia	Strong Foundations for children in Cumberland LGA - Around 595 children aged 0-18 in the Cumberland LGA have epilepsy. One third will keep having seizures even on medication. This causes a complex mix of physical and mental health issues and increases their risk of not achieving the milestones of young adulthood. Epilepsy Action Australia will help by expanding our	\$15,000

			intensive 'Strong Foundations' Nurse intervention to 20 of these children with epilepsy in the Cumberland LGA for 12 months, giving them the hope of a happier future by supporting them to live their best life, with fewer barriers, at each developmental stage	
CP0017	Community Participation	Usman Khawaja Foundation	Usman Khawaja Foundation Cricket & Education Program - Australian Cricketer Usman Khawaja is a positive role model and brilliant ambassador for all young girls and boys. The project is a FREE 6-week introductory cricket program for those new to the game. The program will reach and engage primary school aged girls and boys in particular those from refugee, immigrant, Indigenous, rural, remote and low-socio economic backgrounds. \$9,000 Document Set ID: 8835459 Version: 1, Version Date: 19/10/2023 The project will run across 2xHUBS (Wentworthville and Auburn). Participants will also be provided with education support through the delivery of workshops and educational packs	\$9,000
CP0020	Community Participation	Refugee Advice & Casework Service	Auburn Outreach - Refugee Family Reunion - This Program provides specialised legal support to people in Australia from refugee backgrounds, to help them sponsor their immediate family members (partner, child, orphaned relative) to join them here in safety. With refugees separated from loved ones when fleeing persecution, reuniting them is critical as families belong together. However, the legal process is complicated for people from refugee backgrounds due to families being displaced and the difficulty obtaining identity documents. This expert and specialised legal service, which understands and is experienced in both refugee law and family reunion law, assists people through the very complex process.	\$15,000
CP0022	Community Participation	Harman Foundation Limited	Happiness & Success - Supporting your Mental Health - The Happiness & Success-Supporting Your Mental Health Project includes three elements: (1) a series of mental health workshops (2) fashion shows to boost the self-confidence of diverse women in the community, and (3) publication of an inspirational book	\$5,000

			featuring the stories of women who have overcome significant obstacles in life (DFV survivors, cancer and other trauma). The project will aim to increase community engagement and participation around mental health, improve social inclusion, as well as entertain the community (through the fashions shows and book release).	
CP0029	Community Participation	Early Education (EarlyEd) Inc.	We are Ready to Learn Together - adding Nepali and Korean resources - Eight new readiness for school preparation videos, 4 in Nepali and 4 in Korean, will be recorded and translated that are culturally relevant for parents/carers and early childhood services to use to support their children and build on the established "Ready to Learn Together" resources. Nepali and Korean speaking educators from the local community will codesign the content with the early childhood intervention team from EarlyEd. https://www.earlyed.com.au/ready-tolearn-together/ from previous multicultural grants. These languages are the next frequently used languages for Cumberland area for the original project. Community partnerships will support families to access and use these resources.	\$11,980
CP0030	Community Participation	MatruChhaya Indian Women's Refuge for Domestic violence Victims Incorporated	"Finding Me Again" - 1) Mental Health & Wellbeing. A professional Psychologist would be providing information and training to the DV victims in on depression and anxiety, Parenting and different methods of relaxation and Yoga. 2) Art therapy sessions would be organised by MatruChhaya to eliminate depression and anxiety to build self-esteem and confidence. 3) Cooking demonstrations would be delivered to improve time management on a daily basis by a professional chef. The sessions would aim at teaching quick and healthy recipes. 4) Indian lady lawyer to provide culturally appropriate legal advice in Australian context.	\$5,000
CP0031	Community Participation	Asylum Seekers Centre	Knit and Nourish: A Culinary and Crafting Circle for Mums and Babies -	\$15,000

			ASC's new weekly Mums and Bubs group at Auburn provides a welcoming, safe space to practice English, learn new skills, share knowledge, and develop self-confidence, with activities for young children supported by Choice Preschool, and workshops for women, including sewing lessons. In late 2023, due to popular demand, we will enhance and extend the program to enable group members to cook and share meals traditional to their culture for ASC's weekly community lunches hosted at Auburn Centre for Community, and special events such as Ramadan, Refugee Week and NAIDOC Week.	
CP0033	Community Participation	Ukrainian Council of NSW	Sew Smart Project for Refugees - Sew Smart Project is an initiative to expand our existing Sewing Hub at the Ukrainian Art Therapy and Cultural Centre in Granville to other refugee communities within the Cumberland LGA. The project aims to train women to sew professionally, thus increasing their ability to find meaningful employment opportunities. We provide a nurturing and caring environment for refugee women to come together to learn to sew and have access to our sewing hub on an ongoing basis to attend further classes and workshops and use the facilities to earn an income for themselves.	\$6,000
CP0044	Community Participation	AusPak Women Organisation (APWA)	APWA Friendship Festival - APWA is always working towards creating social cohesion and harmony among different CALD communities and bringing them together to create a well knitted Australian community. Based on the theme of International Harmony Day - 21 March, APWA plans to organise a Friendship festival by systematically collaborating with associations and groups from other cultures and nationalities. This will be a true depiction of diversified Australian Community at large. Through this festival all communities will be brought together to share food, language, arts etc. Festival will also give priority to small business owners (esp women), young entrepreneurs and people with special needs.	\$6,000

CP0044	Community Participation	Cass Care	Lunar festival for multicultural seniors - Older adults from multicultural Cumberland LGA will be invited to 'Lunar festival' on lunar new year, 10 February 2024 in Granville town hall. 'New year' is time of celebration and family for many Australian, however, people from CALD background are lacking opportunities participating festivities. 'Lunar festival' will provide them the opportunity to mark the special day through various cultural performances. Participants will be sharing traditional new year's food together. The event will be closing with new year's 'deep traditional bow'; All staffs will bow deeply to our elders and wish them a happy new year to express our respect.	\$4,000
SG0008	Small Grants	Arabian Music Incorporated	Community Live Music Engagement Program - Our project is all about bringing the community together within the Music atmosphere including performing, coaching, mentoring, rehearsing, talent developing, rising stars, music workshops, singing and playing instruments, as well as self-expressing through the language of Music and talent.	\$1,000
SG0011	Small Grants	Uniting NSW.ACT	Men2Home - When we are successful finding a home for people, we work to set them up with bedding, whitegoods, Opal cards and food vouchers. Most of the people we support are on low incomes. This year we are working with more people than we expected. We want to support extra 100 people with Opal card and voucher.	\$2,000
SG0014	Small Grants	Young Muslims network Australia	Soccer United: Minds in Motion- "Soccer United: Minds in Motion," will be a one-day soccer event uniting Cumberland council Muslim youth from diverse backgrounds (Indian, Pakistani, Sri Lankan, Bangladeshi) for mental health and teamwork. Highlighting individual roles in well-being, volunteers will guide youth through team-building tools, practice, and seeking help. A guest speaker sharing mental health insights aims to inspire active well-being. YMNA's event fosters physical activity, teamwork, life skills, and a resilient, united community for mental health.	\$2,000

SG0016	Small Grants	Rizwan Basha	Awareness on Carbon Footprint and Sustainability education for young children - Awareness on Carbon Footprint and Sustainability education for young children aged 6-16 years	\$1,979
2023/24 Community Grants Program (Round 2)				
Application ID	Program Stream	Applicant	Project Title and Description	Amount
CP0003	Community Participation	Turbans4Australia	Cumberland Community Food Relief - This initiative expands food relief from January to March, supporting over 7,200 residents, especially within the CALD community. It creates 100+ volunteer opportunities, focusing on food distribution, volunteer training, and appreciation events, fostering community engagement and addressing food insecurity during challenging times.	\$15,000
CP0004	Community Participation	Rotary Club of Granville	Recognition of High Achiever Local Women - The event celebrates and recognises exceptional women leaders in our community, inspiring young women to pursue leadership roles. It honours diverse achievements across multiple categories with commendation letters, promoting equal participation from women of all backgrounds in Cumberland's multi-ethnic landscape, and fostering a culture of empowerment and role modelling.	\$4,630
CP005	Community Participation	Jaffna Hindu College Old Boy's Association of Australia, NSW Branch Incorporated	Thaipong Festival 2024 - The Thai Pongal event is a significant cultural celebration in the Tamil calendar, occurring on the first day of the month "Thai" (January). Over the past 11 years, it has attracted a diverse audience from the Pendle Hill area, including members of Local, State, and Federal Parliaments. This vibrant event features traditional music, dance, games, and children's activities, alongside food stalls and displays from local businesses, fostering community spirit and cultural exchange.	\$10,000
CP008	Community Participation	Parramatta Head to Health	Head to Health Empowerment Project - in partnership with One Door Mental Health, offers free educational workshops to	\$11,710

			culturally and Linguistically Diverse (CALD) women in Dari, Arabic, and Mandarin. Aimed at improving mental health literacy and reducing stigma, the project includes four workshops focusing on parenting, mental health awareness, navigating services, and promoting physical activity through trauma-informed yoga. By bridging language barriers, the initiative fosters social connections and enhances well-being, addressing the unique challenges faced by CALD women in accessing mental health care and support.	
CP0009	Community Participation	Parramatta Women's Shelter	Rise Above - Project Rise Above helps children overcome recent traumas and look forward to a brighter future. PWS offers a temporary safe haven, meeting their basic physical needs before transitioning to longer-term housing. The project also facilitates referrals to counselling and therapeutic services, aiding children in coping with their challenges.	\$7,500
CP0010	Community Participation	Mentoring men LTD	Supporting Men's Mental Health and Wellbeing in the Cumberland Local Government Area- the Mentoring Men project addresses men's mental health in the Cumberland LGA by offering free one-on-one life mentoring for adult men experiencing distress. Through non-judgmental support, the program promotes proactive prevention, helping men before crises arise. It also hosts facilitated events to reduce social isolation and encourage help-seeking behaviours, fostering community connections and resilience.	\$14,788
CP0012	Community Participation	Saints Care LTD	Love Bites Facilitator Training - this project, delivered through the Western Sydney Love Bites Committee, funds facilitator training for the Love Bites program in the Cumberland LGA. The aim is to increase the number of trained facilitators to enhance capacity for delivering this healthy relationships program in schools. Love Bites seeks to decrease domestic and family violence while increasing young people's awareness of available support services.	\$15,000

CP0014	Community Participation	Hindu Council of Australia	Holi - Festival of Colours - Holi - Festival of Colours is the second largest Indian festival, marking the start of the Hindu New Year. Initiated by the Hindu Council of Australia and Cumberland City Council in 2018, this event provides the growing Hindu community a platform to celebrate their traditions in Australia. Originally celebrated in other parts of Sydney, it has since expanded to areas like Pendle Hill, Toongabbie, Girraween, Merrylands, and Wentworthville.	\$15,000
CP0018	Community Participation	Sydney Kachin Community	Wellbeing Awareness and Cyber Safety - This project aims to address the urgent need for Sydney Kachin community members to access information and support related to mental health issues and cybersecurity. It will run from March 2024 to November 2024, providing essential resources and guidance to help community members navigate these critical areas.	\$7,190
CP0023	Community Participation	Toongabbie Legal Centre Inc	Know the Laws - Keep Families Safe - This project aims to raise awareness among community workers and leaders in the Cumberland LGA about the new domestic violence laws commencing in early 2024. It addresses the lack of understanding surrounding the legal system regarding domestic violence and its consequences, particularly among new arrivals. By targeting ethnic community leaders, the program seeks to improve relationships and ensure that participants grasp the implications of apprehended domestic violence orders, coercive control, and financial abuse.	\$14,500
CP0026	Community Participation	Greater Cumberland Chamber of Commerce	Supporting Multiculturalism in Local Businesses - The project aims to empower diverse cultural businesses in the Cumberland LGA through a series of workshops. These workshops will highlight community values, foster positive connections among residents, and encourage collaboration. They will also provide strategies for enhancing cultural diversity in the workplace while helping migrants and asylum seekers understand the Australian systems necessary for starting businesses and achieving self-employment.	\$14,000

CP0030	Community Participation	Parramatta Young Christian Workers	Young Migrants Peer Mentoring Program - This project aims to recruit, train, and support young volunteer peer mentors aged 18-30 from diverse backgrounds to assist young migrants (aged 15-25) who have recently settled in Australia. Through a partnership with TAFE, the program will deliver the Nationally Accredited Unit - Prepare to Mentor in a Community Setting. The mentors will guide mentees in various aspects of life, including education and employment, fostering an inclusive community.	\$3,000
CP0033	Community Participation	Gallipoli Turkish Cultural Foundation Limited	Bridging Peace: Cultivating Unity in Cumberland - Project is an initiative designed to engage young Muslim men affected by global tensions. This project provides a supportive environment where participants can connect, share experiences, and develop community ties. It offers educational workshops, cultural events, and mentorship, focusing on resilience and active societal participation amidst global challenges.	\$14,962
EEP0001	Employment & Education Pathways	Granville Multicultural Community Centre	New Laptops for Better Learning outcomes: This project aims to support at-risk students in Cumberland by providing six new laptops to help with their learning. The laptops will be used across three CMCS programs: Homework Help, School Support, and Job Club. Students will use them for school assignments, personal development workshops, and job-related tasks like resume writing and job searches. By providing access to technology, the project helps re-engage students in their education and improves their employability, supporting the Cumberland Council Youth Strategy's goal of addressing youth unemployment and supporting school retention.	\$3,538
EEP0003	Employment & Education Pathways	Hilltop Road P&C Association	The Resilience Project - A project aimed at encouraging resilience building in both students and adults in our community through a series of confidence building workshops. This will include an 8 week, 2 hour weekly program run at Hilltop Road Public School in the community room to a group of 8 students (girls and boys alternating each term) from Years 5 & 6, plus their	\$4,500

			parents or carers if and when required. Workshops will focus on deep dive conversations using videos, music, guest speakers from empowered leaders in our community as well creative outlets like podcasting.	
EEP0006	Employment & Education Pathways	Zen Tea Lounge Foundation	Design for Success Project “ Empowering People with Disability Through Employable Skills Development in a Safe Space” - The project in the Cumberland LGA is a community-driven initiative dedicated to empowering vulnerable young adults with special needs. Over an 8-week program, we provide vocational training and essential employment skills in a safe and inclusive environment. Our goal is to equip participants with the tools and experience they need to pursue future employment opportunities or even entrepreneurship. Beyond job skills, we focus on educating participants about safety, boundaries, sexuality, and domestic violence exit strategies.	\$15,000
SG0005	Small Grant	St Partick’s Senior Citizens Club Guildford	Social Activities seniors at St Patricks Seniors Citizens Club - Then project is to provide access to a social outing and recreational activities for the group that has been unable to be achieved due to rising costs.	\$2,000
SG0005	Small Grant	Wombats Guildford	Accessibility for golfcarts for seniors - Wombats Guildford - To allow for new and existing players to continue to play golf where they have physical and accessibility issues that make it difficult for them to get around without the assistance of a golf cart. The full cost of hire of golf carts is also often out of the reach of the players who are over 55, and up into the 90's. The project aims to increase physical wellbeing	\$2,000
2023/24 Community Grants Program (Round 3)				
Application ID	Program Stream	Applicant	Project Title and Description	Amount

EEPR3001	Employment & Education Pathways	Ability Beyond Boundaries	Persian Herbs Diversity: Community-crafted Micro Herb Salad Project - The Persian Herb Diversity (PhD) incorporates the popular herb blend in Persian cuisine, 'sabzi khordan,' serving a dual purpose within our initiative: empowering individuals through accessible training, fostering community connections, providing healthy salads for our weekly events, and offering a fundraising opportunity for ABB. The collaborative process involves cleaning, preparing, labelling, and packaging these herbs under the supervision of two of our members who hold Food Safety Supervision certificates. Ultimately, the initiative aims to address isolation and distress by providing meaningful training and employment pathways for our underrepresented members.	\$6,500
EEPR3003	Employment & Education Pathways	Alzahra Support Association	Understanding the Australian curriculum for Maths and Science for CaLD youth and parents - The project plans to conduct maths and science classes for newly arrived children aged 10 to 15 in Granvil. The classes will address educational challenges faced by newly arrived students in Australia, particularly in learning maths and science in the English language. Many of these students have limited prior educational opportunities due to war and seeking asylum. Classes will also be held to educate parents on school curriculums, parenting techniques and yoga (to alleviate stress, boost confidence, and strengthen family bonds). Sessions will run weekly for three months - parenting information 2 hours, yoga 1 hour, Maths and Science 3 hours.	\$11,793
CPR3001	Community Participation	Arabian Music	Community Musical Activities - Our project will bring people from the local area/community together to encourage musical activities. This could range from instrument lessons, song writing/composing and practicing, learning how to sing, to being part of a band. There will be a monthly 'Live Music Show' for everyone. The purpose of these is to give performers/musicians a	\$5,000

			chance to show off their skills, get in contacts with people of similar interests and to simply enjoy the great music.	
CPR3031	Community Participation	AVAANI CRICKET CLUB INCORPORATED	Avaani Cricket Club Support - We are seeking funding to support the delivery of a multicultural cricket program, that will target young girls and boys, as well as seniors within the region. We are a club that actively engages with the local community by organising various cricketing events, including bilateral series, friendly matches, and tournaments. Our cricket club attracts the various multicultural communities in the region, showcasing the benefits of leading an active and healthy lifestyle. The project will be held on Sundays for over 14 weeks, starting in October 2024. The project will involve entry level participation cricket programs for juniors and seniors.	\$8,000
CPR3036	Community Participation	Blind Sports & Recreation NSW/ACT	Blind Sports NSW Community Awareness Program - Blind Sports NSW is the peak organisational body in New South Wales in providing sport and social recreation for community members with blindness and low vision. This project creates much needed awareness for students and the community by showcasing what it's like to be vision impaired through simulating glasses and activities. This will provide an understanding of the everyday challenges faced by visually impaired individuals by completing everyday tasks, including vision impaired sport activities. The project will provide much needed awareness of our services to the local community and help create pathway opportunities for visually impaired participants.	\$8,000
CPR3020	Community Participation	Flourish Australia/headspace Parramatta	Speaking of Mental Health in Cumberland - Headspace and The Champions will deliver 4 compelling education seminars on suicide prevention and mental health to Year 10 students in schools with higher needs / lower SES.	\$4,620

			<p>This highly-rated program (98% approval) helps young people understand that difficulties they may face with mental illness, stress, or suicidal thoughts are not uncommon and are treatable. We highlight that speaking up to friends and family while accessing professional help early is the best way to be supported.</p> <p>This is achieved through authentic storytelling from a lived-experience mental health educator and Q&A with headspace to enable discussions that lower barriers to help-seeking.</p>	
SGR30009	Small Grants	Guildford-Greystanes Physical Culture Club Inc	<p>Purchasing new performance wear for team dance event - Our club participates in annual team events with other BJP clubs across Australia in November every year. As part of this event, the girls are required to dress the same in either leotards or performance wear. At present, the girls are wearing leotards that have been used over the last 15 years and as we modernise the sport, performance wear is becoming more popular to wear rather than leotards. We would like to be able to purchase performance wear (tights and tops) for our junior members.</p>	\$2,000
SGR30010	Small Grants	Karabi Community & Development Services Inc.	<p>Mothers Alliance / Kindred Mothers - The Mothers Alliance/ Kindred Mothers Group will be a weekly program where Mums with children can meet and connect with each other, receive expert advice through our guest speakers/facilitators, and build a safe and supportive kinship to foster good parenting and strengthen familial ties within the Cumberland community. We aim to promote the "Women supporting women" ethos and encourage our clients to uplift and empower each other and build a solid and lasting relationship that will ultimately benefit not only themselves but their families and the whole community they live in.</p>	\$2,000
CPR3014	Community Participation	LEAD Connect Ltd	<p>Coercive Control: The Hidden Driver of Non-Physical Violence : Coercive control is still not well understood in the community. Every day, women across Cumberland fall victim to coercive</p>	\$13,500

			controls, often without recognising it as domestic violence. LEAD Connect will work with partners (family support services) and DFV experts (including legal experts) to create a shareable resource video outlining what is coercive control, the changes with the new legislation, and where to seek help.	
SGR30008	Small Grants	Mr Mark Croan	<p>Australian Squad Representative and helping Teenagers -</p> <p>(1) My son Ryan is 16 and has been selected to represent Australia at three international events.</p> <p>He has qualified to compete against Japan in Tokyo and Yokohama and in Portugal at the World Martial Arts Championships. Any financial assistance would be much appreciated.</p> <p>(2) To promote all of the the advantages of martial arts to teenagers to improve their lives.</p>	\$2,000
CPR3012	Community Participation	Somali Welfare & Cultural Centre	<p>Reconciliation and Truth Telling - Workshops for CALD Communities of Cumberland : As newcomers to Australia, it's important we have an understanding of the cultures and histories of First Nations people. This project aims to provide a space for meaningful conversations between representatives of the Kinchella Boys Home (stolen generation survivors) and culturally diverse communities of Cumberland. The dialogue will provide information past events and treatment of First Nations, the intergenerational impact, their resilience, race relations and our collective responsibility for reconciliation.</p> <p>This act of truth-telling supports the process of healing and restorative justice within Australian society, as all members become aware of their role in our reflective journey towards Reconciliation.</p>	\$7,500
CPR3027	Community Participation	Story Factory	<p>Extending impacts of our creative writing programs: Building young peopleâ€™s literacy and wellbeing - With Cumberland</p>	\$10,813

			<p>Council's support, we will deliver two 7-week 'Pride Inside: Deadly Writing' creative writing programs for up to 40 young people at Holroyd High School, an under-resourced school in the Cumberland LGA, where students are at risk of poor mental health and low literacy.</p> <p>Our 'Pride Inside: Deadly Writing' program has been purposefully designed to target pride and identity formation - alongside literacy development - providing Holroyd High School students with the foundation of skills and self-belief they need to overcome future challenges and thrive both personally and academically.</p>	
CPR3004	Community Participation	Sydney Seniors Learning Society Incorporated	<p>Ageless Dancing - Ageless Dancing program would provide amazing opportunities for Chinese-speaking seniors especially for older women to participate in exercises and social activities through dancing. This program would promote physical and mental health, improving personal fitness and well-being. It is more than just a dancing program because it combines social, cultural, recreational and physical activities. It would assist in breaking down social isolation, and enhance positive connections among the participants and develop a sense of belonging.</p>	\$7,000
CPR3017	Community Participation	Tamil Arts and Culture Association Inc	<p>Tamil Literary Meet 2024 - Tamil Literary Meet - Tamil is one of the classical languages which is in practice and spoke by 80 million people around the world. In this event we bring a renown Tamil scholars or writers from Tamilnadu, India to deliver a literature research speech on a specific topic to wider Tamil Australian community as well as stage the local talents to perform Tamil classical dances as well as vocal traditional music.</p>	\$5,000
CPR3003	Community Participation	The Shepherd Centre - For Deaf Children	<p>Ready Steady Think! - A school-readiness program for children with hearing loss in Cumberland - Ready Steady Think is an education program developing crucial life skills and positive behaviours in children with hearing loss.</p>	\$4,453

			<p>Using play-based strategies, we prepare children for school by developing their working memory, flexible thinking, teamwork and self-control skills - skills at high risk of being delayed in children with hearing loss.</p> <p>Children will gain a firm foundation of skills needed to thrive in school and the wider community.</p>	
CPR3021	Community Participation	Wentworthville Indian Business Association Inc	Ganesh Festival - Ganesh Festival Celebrations for the Wentworthville & surrounding community.	\$5,000
