Auburn Botanic Gardens Signage & Path Upgrade

Extensive works have been completed at Auburn Botanic Gardens to improve pedestrian safety and accessibility. Works included installing 80m long boardwalk path with stainless steel subframe, handrails and kickframe.

Boundary Road, Chester Hill Bridge

Bridge realignment works were jointly funded by the Federal Government, Cumberland City Council and Canterbury-Bankstown City Council. Realignment and widening of the bridge provides additional safety and traffic flow benefits both in the short and long terms.

St Johns Road, Auburn Road Renewal

Rehabilitation and resealing of road pavement, including kerb and gutter repairs, from Chisholm Road to Park Road.

Auburn SES Headquarters, Auburn Building Upgrades

Building upgrade works are ongoing in SES Headquarters with the recent installation of a new awning and new operational base which includes vehicle storage and office space.

Chisholm Park, Auburn Playground Upgrade

Council recently completed playground upgrades at Chisholm Park, Auburn which includes the installation of a new modern playground, park furniture and nature play area.

Excelsior Street, Guildford Road Renewal

Road renewal works along Excelsior Street, Guildford includes resealing, new kerb and gutter and line marking.
