Greystanes Footpaths Improvements

The Greystanes ward, has 306km of footpaths in the network. To achieve 100% coverage, 118km footpaths need to be completed.

Council has invested heavily in improving this network this year. The installation of new concrete footpath provide safe, off-road pedestrian access, pedestrian link to existing path networks and passive open space.

Footpaths completed this year include Gardenia Parade, Greystanes, Darling Street, Greystanes, Ian Street, Greystanes.

Fowler Road

Fowler Road is a busy Regional Road, with over 17,000 vehicle movements a day.

Pavement resurfacing was required to improve ride quality and safety of road pavement.

Lance Crescent Pavement Resurfacing

Pavement resurfacing to extend the serviceable lifespan of Lance Crescent, and to improve ride quality and safety.
