

CUMBERLAND
CITY COUNCIL

Regents Park Ward

Capital Works Report

2020/2021

Regents Park Ward Infrastructure Works

Council is continually constructing and maintaining footpaths, roads, buildings, parks and drains.

Here's a highlight of our program and allocated spending for the 2020/21 financial year in the Regents Park Ward.

Major Works

Project	Spend During Period
Parramatta Road Urban Amenity Improvement Project	\$2,275,028

Amy Street

Regents Park Ward Councillors

Councillor
Ned Attie

Councillor
Kun Huang

Councillor
George Campbell

Amy Street, Regents Park

This section of road carries a high volume of traffic, and as such the road condition had deteriorated resulting in water ponding, kerb and gutter damage, cracked surface, and potholes.

All this resulting in poor ride quality and risk to the community. As part of the rehabilitation works, road pavement was excavated and asphalt was placed and compacted. Sections of damage kerb was reconstructed and the surface was finished.

Parramatta Road Urban Amenity Improvement Upgrade

Improving pedestrian accessibility and safety, the PRUAIP will deliver aesthetically pleasing streetscape to encourage investment and redevelopment of existing commercial, retail and residential properties.

Upgrades also include the undergrounding of aerial power and telecommunication cables, street tree planting and landscaping, installation of raised pedestrian crossing, concrete footpath and K&G reconstruction, improving accessibility to the pedestrian bridge over the M4, artwork and smart poles street lighting

Woodburn Road Disabled Parking

Construction of new Pram Ramp and relocation of existing disabled car parking space to improve safety and accessibility
