Charity Collection Bin Policy

AUTHORISATION & VERSION CONTROL

Policy Number	POL-017
Policy Owner	Director City Services
Date Adopted	June 2019
Version No	1
Document ID	5680862
Review Date	June 2023

PURPOSE

The development of this policy is to provide guidance with regards to the construction, installation and operation of charity collection bins within the Cumberland Local Government Area.

SCOPE

This Policy applies to the Cumberland City Council Local Government Area.

POLICY STATEMENT

This Policy is to control and regulate the placement and management of charity collection bins within the Cumberland City Council Local Government Area.

PRINCIPLES

The purpose of this Policy is to obviate nuisance, minimise the environmental impact and effectively manage safety and public risk from the placement and management of charity collection bins.

REQUIREMENTS

The construction and installation of charity collection bins is prohibited on Council owned or managed (public) land.

The construction and installation of charity collection Bins on private property, must be in accordance with a valid development consent or in accordance with the requirements of Sub - division 10C of the State Environment Planning Policy (Exempt and Compiling Development Codes) 2008.

RELATED LEGISLATION

Environmental Planning and Assessment Act 1979 and associated Regulations;
Impounding Act 1993 and associated Regulation;
Local Government Act 1993 and associated Regulations;
Protection of the Environment Operations Act 1997 and associated Regulations;
State Environment Planning Policy (Exempt and Complying Development Codes) 2008
