What is the ClubGRANTS Scheme?

ClubGRANTS is a community development grants program funded by local clubs and administered by Cumberland City Council.

The scheme enables registered clubs with gaming machine profits over \$1 million to apply for a tax rebate (of 1.85%). The tax rebate is used to provide grants to not-for-profit community organisations for community projects.

ClubGRANTS is designed to ensure that larger registered clubs in NSW contribute to the provision of front-line services to local communities; and to ensure that disadvantaged community members are better positioned to benefit from the grants. ClubGRANTS also facilitates contributions by larger clubs towards infrastructure to support sporting, health and community activities.

The Scheme is guided by the Gaming Machine Tax Act 2001 which identifies three classes of expenditure (Category 1, Category 2 and Category 3). These guidelines apply to only Category 1. More information about the other categories can be found on the Liquor and Gaming NSW (L&GNSW) website liquorandgaming.nsw.gov.au.

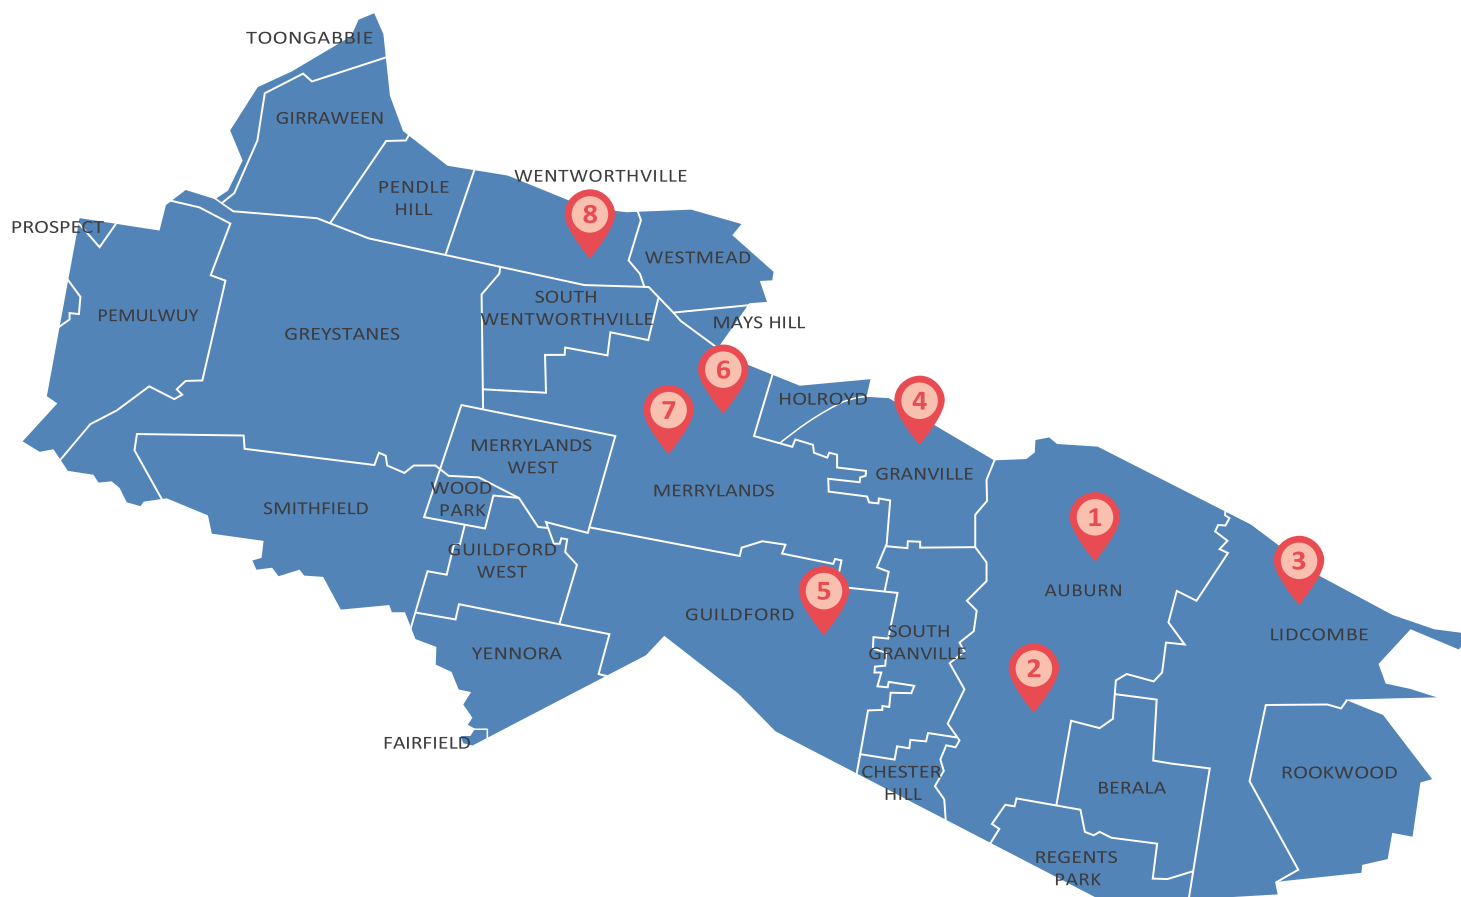

The Clubs for Cumberland ClubGRANTS Scheme is managed by a Local Committee which has representatives from:

- Participating clubs
- Department of Communities and Justice
- Local community organisations (up to five representatives)

Cumberland City Council serves as the convener of the Local Committee and extends administrative support. It is imperative to clarify that the Council does not engage in the evaluation of grant applications. The Local Committee, with its diverse representation, is tasked to identify funding priorities, meticulously assess grant applications, and provide well-informed recommendations for funding allocations.

Participating clubs in the Cumberland Local Government Area (LGA) include:

1. Auburn Soccer Sports Club
2. Auburn Tennis Club
3. DOOLEYS Lidcombe Catholic Club
4. Granville Diggers
5. Guildford Leagues
6. Club Merrylands Bowling
7. Merrylands RSL
8. Wenty Leagues

There isn't a limit to the amount that can be applied for in Cumberland ClubGRANTS Scheme. As a guide, most projects fall between the \$10,000 – \$15,000 funding bracket. Applicants are permitted to submit more than one application, provided each project is distinct and addresses different objectives. Both applications will be considered for funding opportunities, with each having the potential to be funded independently.

Important information regarding GST.

The Australian Taxation Office [ATO] has provided the following advice on whether a payment made by a Club to a recipient organisation as part of the ClubGRANTS Scheme would attract GST.

A non-profit organisation or donating Club does not have a GST liability provided the non-profit organisation is not making a supply to the donor club in relation to the receipt of the payment. The acknowledgement of the funds provided in the recipient's newsletter or annual report, or in a local state or national newspaper, or a certificate, plaque or equivalent of appreciation is not considered to be a supply from a recipient to a donor club.

- a.) The Clubs for Cumberland ClubGRANTS Scheme will be advertised annually, on the Cumberland City Council website, local newspapers and other community information outlets.
- b.) Applications will be assessed in accordance with the Scheme's Guidelines including organisational eligibility and funding priorities outlined in these Guidelines.
