Acknowledgement of **Traditional Custodians**

Cumberland Council acknowledges the traditional custodians of this land, the Darug people, and pays our respect to their elders both past and present. The Darug people (also spelt Dharug, Daruk or Dharik) have over 60,000 years of culture, history and living with the land.

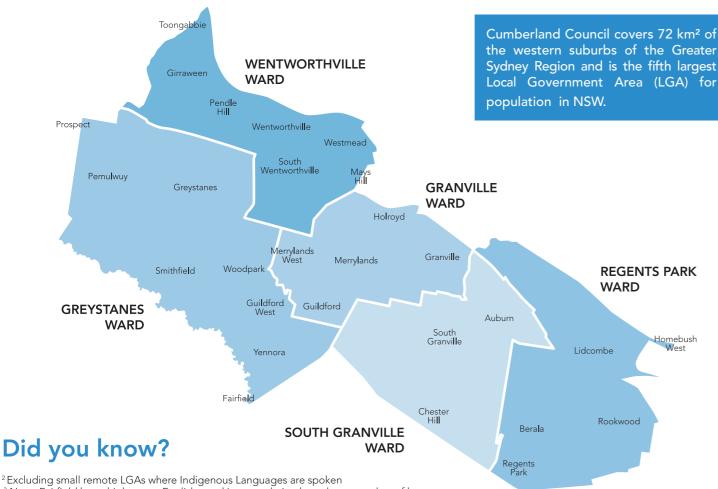

There were three distinct dialects in the Darug territory: The coastal (also known as the Eora), the Hinterland (or plains) and the mountains. There are many significant aboriginal sites in the area, including Prospect Hill where the first act of reconciliation between Aboriginal leaders and European settlers occurred on 3 May 1805.
