Merrylands CBD Drainage Project

The Upgrade works to the drainage infrastructure in Merrylands CBD is ongoing. Works are underway on the culvert at intersection of Addlestone Road and Merrylands Road. This includes adding new culvert, modifying Sydney Water mains, adjustment to telecommunications infrastructure and strengthening work to nearby shop structure/building. There has been a services clash upstream on Addlestone Road with NBN, Gas and Electrical. Council is currently

liaising with the service authorities to resolve the issue. The works along Western side of Addlestone Road will commence once necessary approvals from Endeavour Energy are in-place. This part of the works is likely to be completed by December 2024 which is when Addlestone Road will be permanently and fully opened to two-way traffic
