NEW

Guildford Pool Modernisation Project

The Guildford Aquatic Centre construction works are progressing with the concrete foundations down and the primary structural steel frame for the indoor section of the pool erected. Work is also underway constructing the outdoor pool and water play space areas.

The redevelopment will provide a range of new facilities including an indoor program pool and outdoor pool, male and female amenities, Water play area/child play pool and more. When completed, this new facility will provide for a range of age groups and participation levels through services and programs including learn to swim, recreational swimming, gentle aquatic-based exercise and rehabilitation.

The Guildford Pool Modernisation Project is a community infrastructure initiative jointly funded by the Western Sydney Infrastructure Grant (formerly WestInvest) and Cumberland City Council.

UPGRADE
