Acknowledgement of Traditional Custodians

Cumberland City Council acknowledges the Darug Nation and People as Traditional Custodians of the land on which the Cumberland Local Government Area (LGA) is situated and pays respect to Aboriginal Elders past, present and future.

We acknowledge Aboriginal and Torres Strait Islander Peoples as the First Peoples of Australia.

Cumberland City Council also acknowledges other Aboriginal and Torres Strait Islander Peoples living in the Cumberland Local Government Area and reaffirms that we will work closely with all Aboriginal and Torres Strait Islander communities to advance reconciliation within the area.

Councillor

*Ola Hamed***MAYOR**

On behalf of Cumberland City Council and in my first term as Mayor, I am pleased to introduce the Operational Plan (OP) for 2025-2026. This Plan details Council's commitment to the quarter of a million people that call Cumberland home and whom we represent. It outlines the projects and actions that will be key targets for delivery over the next 12 months.

Our investment is centred on projects that will have a lasting and positive impact on the community. We are dedicated to protecting and preserving our natural environment, enhancing educational spaces to provide opportunities for learning and growth, and improving sporting facilities and precincts. We are committed to developing high-quality infrastructure that will contribute to the overall liveability and enjoyment of our area. These efforts reflect our commitment to fostering a vibrant, sustainable community through strategic, long-term investments.

With Cumberland's growing population projected to reach approximately 300,000 people by 2036, Council is committed to a bold plan to support the needs of our evolving community.

Council has outlined a proposed capital expenditure of \$92.3m for 2025-2026 which includes a range of new and major capital projects worth \$36.9m. In particular, the much-anticipated redevelopment of the Guildford Swim Centre, which will boast a modern, state-of-the-art aquatic facility designed to meet the needs of both current and future residents.

The capital works program is also focused on the upgrades and renewals of Council roads, footpaths, bridges and stormwater infrastructure and open space park assets.

The Operational Plan for 2025-2026 also commits to upgrades of the Lidcombe Town Centre, Wentworthville Town Centre, Auburn Basketball Centre Expansion Project and a much-needed upgrade to the existing playground at Granville Park Play space, including the water play area. Council is committed to providing valued services and programs that enhance the quality of life for residents, especially young families and children, encouraging them to lead an active and healthy lifestyle.

Council remains focused on fostering social cohesion and equality by empowering the female population and supporting social justice initiatives. Through the Gender Equity Strategy, Council aims to promote leadership by supporting economic security, ensuring equal opportunities, and embedding gender equity principles into decision-making and service delivery. With women accounting for nearly half of Cumberland's population, addressing barriers such as income disparity, unpaid caregiving responsibilities, and gender stereotypes remains a major priority. Council continues to tackle these challenges by raising awareness, advocating for change, and supporting women through initiatives such as International Women's Day. Additionally, Council collaborates with NSW Police, Legal Aid NSW, and the Women's Legal Service to combat domestic and family violence through events like the 16 Days of Activism march and community information sessions. Cumberland is a place where all can thrive, and I am proud of the work we have done and will continue to do in this space.

I am proud of the commitment reflected in this Operational Plan. The initiatives outlined will bring meaningful improvements to our community over the next 12 months and beyond as we continue to work towards positioning Cumberland as a strong economic hub to attract and facilitate new industry sectors and employment opportunities.

The contributions you make to Cumberland's unique identity are invaluable, and the support of our community is essential to our success. Without it, these achievements would not be possible. I look forward to working together to celebrate many future successes and continue to build a thriving and dynamic community.

As our community grows in population, we also grow in strength and unity. I look forward to celebrating this growth with all residents over the next 12 months.

Clr Ola Hamed
Mayor

On behalf of our very dedicated and passionate workforce, I am pleased to introduce Cumberland City Council's Operational Plan (OP) 2025-2026.

This Plan reaffirms Council's commitment to delivering high-quality services that are valued by our community. It also ensures there is transparency over Council budgets and capital works expenditure.

Guided by extensive community consultation, Council will be upgrading local roads, footpaths, drainage, parks, and playgrounds, and will continue to provide key services such as road maintenance, swimming pools and waste management.

This year, Cumberland City Council will oversee further progress and development of significant new capital works, asset renewals and upgrades to transform facilities and community spaces. One of the most anticipated transformations is the redevelopment of the Guildford Swim Centre. This project will provide the community with a state-of-the-art Aquatic Centre that will include programs and services designed for the wellbeing of our community both now and for generations to come. This project is jointly funded by Council and the Western Sydney Infrastructure Grants Program.

Council will also be prioritising upgrades to the Joseph Street Precinct in Lidcombe to give the community more public space, better public streets with a range of facilities including outdoor dining opportunities, new trees, public art and new street furniture. We will also be prioritising improvements to the Kingsway and Station Street in Wentworthville by providing accessible parking spaces, new paving, street furniture and lighting.

Our local playgrounds and sportsgrounds are in high demand and as our community grows, expectations of facilities, quality and availability also increase.

Council will be prioritising upgrades to Playspaces including Granville Park, Kootingal Street Park in Greystanes, Excelsior Street Playground in South Granville and Roberta Street Park in Greystanes. These upgrades will include renewal of play equipment, improved access through new paths and/or rubber softfall, planting of native plants and shade trees, and new park furniture.

I am proud that Council can continue to provide new parks, complete with amenities and playgrounds, that ensure everyone has an opportunity to be healthy and active. To deliver these projects we need careful and creative planning, centred around the evolving needs of the Cumberland community. Above all, ensuring that we are achieving these goals in a fiscally responsible way that preserves our strong financial record.

Over my years in this role, I continue to be inspired by the hard work and dedication of our motivated staff. I am proud to lead an organisation that cares about the community and has a strong vision to improve the lives of the people who call Cumberland home.

With the Cumberland community at the heart of Council's every decision, we value your input and feedback and will keep engaging with our residents and businesses in various ways, to ensure the growing needs of the community are being met. We are excited to be delivering improvements for you, to create a city that offers many opportunities for success.

I look forward to continuing to work with our Councillors and the great Council staff team to honour the commitments made to our community.

Welcome

Welcome to the Cumberland City Operational Plan 2025-2026

In response to the community's long term vision and aspirations detailed in the Community Strategic Plan (CSP) 2025-2035, coupled with the overarching strategic directions, objectives and strategies and the commitment the elected Council made in the Delivery Program (DP) 2025-2029, Council has developed its annual Operational Plan (OP) 2025-2026.

The OP is Council's annual plan outlining the key actions designed to align with the CSP vision and support the DP objectives.

This Plan reaffirms Council's commitment to delivering high quality, cost effective services and timely programs to the community. It provides transparency and visibility with Council budgets and capital works for the community's benefit.

The Integrated Planning and Reporting (IP&R) Framework

Under the *NSW Local Government Act 1993*, councils are mandated to adopt a robust approach to planning and decision-making through the Integrated Planning and Reporting (IP&R) Framework. The IP&R Framework is central to all Council plans, guiding how councils provide leadership, plan for the future and make decisions about services and resources.

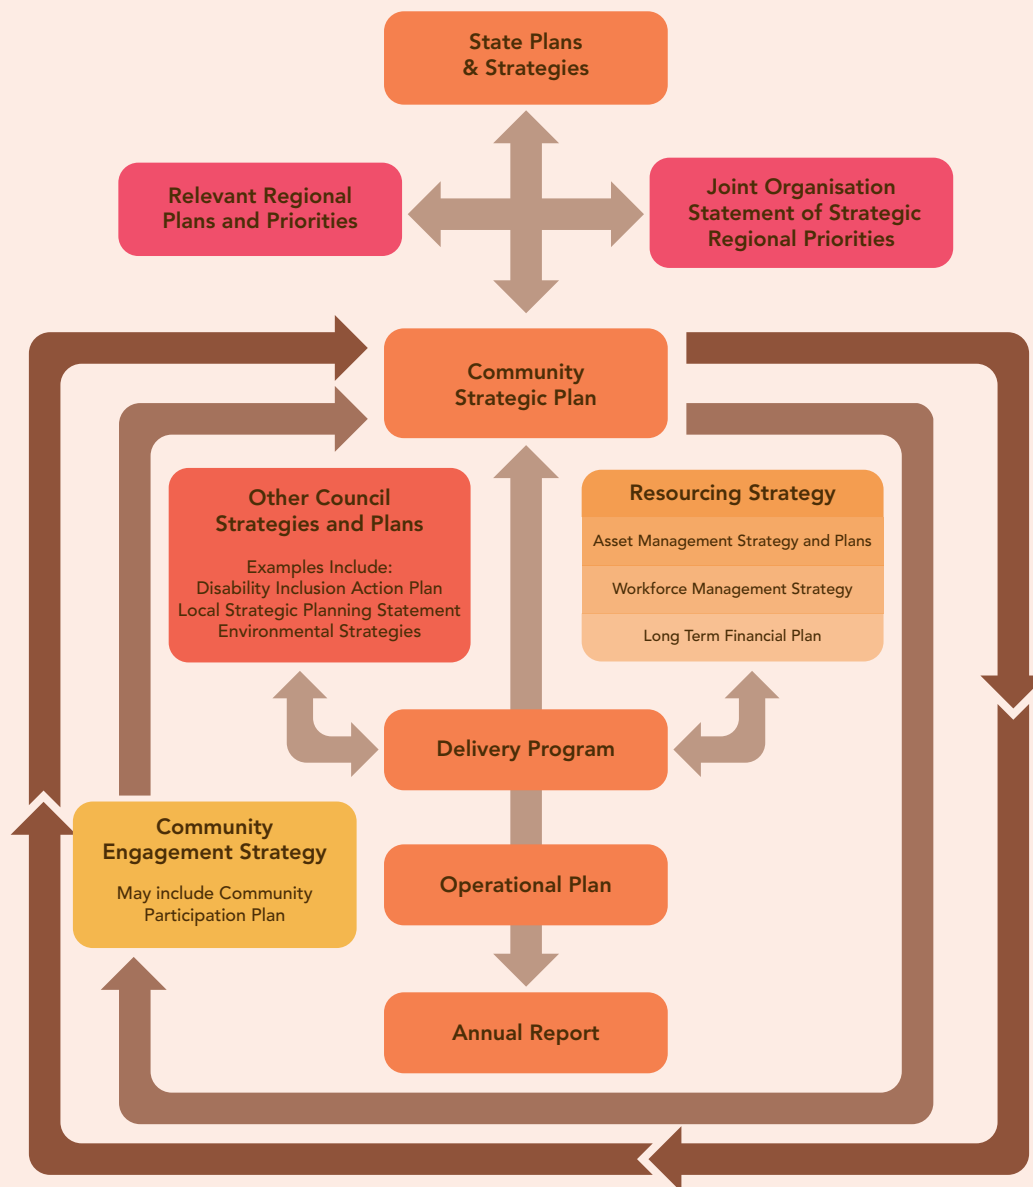

The framework emphasises that IP&R should be at the core of all Council plans, activities, resourcing decisions and improvement strategies. All councils in NSW use the IP&R framework to guide their planning and reporting activities. The framework provides a clear picture of the council's direction and how it plans to achieve its goals, through various plans and strategies. These include the:

- Community Strategic Plan
- Resourcing Strategy
 - » Asset Management Strategy and Plans
 - » Workforce Management Strategy
 - » Long Term Financial Plan
 - » Digital Strategy (whilst not a requirement under the *Local Government Act* and Regulations, the development and adoption of a Digital Strategy is an invaluable part of Cumberland's resource planning and is considered best practice)
- Delivery Program
- Operational Plan.

The IP&R framework of documents is designed to ensure that NSW councils are undertaking long term planning for the future of their communities and that planning is based on thorough community engagement. The framework is a cascading set of plans, strategies and reports designed to translate high level community hopes and aspirations into actionable activities for Council. Plans within the IP&R Framework ensure that Council activities are aligned with community priorities are sustainably resourced and all progress is measured and reported.

The community is at the heart of the IP&R Framework, therefore Council values engagement with the Cumberland community to understand their priorities and vision for the future. Involving the community in each stage of the IP&R process ensures decision making is evidence based and representative of the views of the community. Council's role in engagement is to:

- Inform
- Consult
- Involve
- Collaborate
- Empower.

IP&R Key Components

Purpose and key elements of the Operational Plan

The Operational Plan (OP) translates the priorities and principal deliverables outlined in the Delivery Program (DP) into detailed actions to be delivered over the financial year. It enables Council to allocate resources, deliver services and achieve measurable outcomes that align with the community's strategic directions outlined in the Community Strategic Plan (CSP).

The OP demonstrates Council's commitment to achieving its strategic objectives by outlining the specific activities it will undertake each year. These include:

- **Service Actions and Performance Measures:** identifies the specific actions Council will undertake to meet the commitments outlined in the DP. Performance measures enable Council to assess its progress against its principal deliverables.
- **Major Projects and Capital Expenditure:** highlights the infrastructure and other significant projects planned for delivery in the financial year, reflecting Council's commitment to long term community outcomes.
- **Nominated Service Reviews:** focuses on improving service delivery by examining the efficiency, effectiveness and relevance of Council's services and identifying opportunities to better align with community needs.
- **Statement of Revenue Policy and Financial Information:** includes estimates for Council's revenue sources and annual budget as well as other statutory financial details.

There is a clear link between the CSP, DP and OP. The CSP sets the long-term vision and strategic priorities for the community, the DP identifies Council's key deliverables over a four-year period and the OP focuses on implementing these deliverables through annual actions.

The OP outlines how Council will be resourced to deliver its services and defines the methods for measuring and reporting its performance to the community effectively and sustainably.

How the Operational Plan is Resourced

The Operational Plan (OP) 2025-2026 identifies the 35 frontline and internal services Council undertakes to achieve the strategic directions, objectives and strategies as set out in the CSP.

The Resourcing Strategy sets out Council's long term plan for facilitating the translation of the four strategic directions in the CSP into real actions for Council to implement as part of the Delivery Program (DP) 2025-2029. Council's Resourcing Strategy integrates Council's asset, workforce, digital and financial planning to provide the community with clear and detailed information on how Council plans to sustainably resource the commitments it has made in the DP and OP.

The Resourcing Strategy consists of four parts:

1. Asset Management Strategy
2. Workforce Management Strategy
3. Digital Strategy
4. Long Term Financial Plan.

Our Community, Our Council

Our Community	12
Who we Are	13
Our City	15
Our Elected Representatives	17

Our Community

Cumberland City is one of the most culturally diverse, vibrant and populated local government areas in NSW. Approximately 245,323 people currently call Cumberland City home and this is expected to grow to around 300,000 people by 2036. Our international food, cultural events, high quality community programs, extensive networks of green spaces and our place in the geographical heart of Sydney makes us unique. Cumberland is the place to be!

The Cumberland community is diverse with many young families who are professionals, speak multiple languages and have come from a range of backgrounds and experiences that contribute to Cumberland's unique flavour. With just over half of all residents born overseas and almost a quarter having arrived in Australia in the last five years, Cumberland City is for many, their first introduction to life in Australia.

Our community has an array of facilities available, including access to five swimming pools, eight libraries, high quality community venues, education and care facilities and a network of town centres supporting diverse and dynamic small businesses. Cumberland's towns centres are great places to come together and are a focus for community life. These provide retail, entertainment and employment opportunities, supporting and enriching future growth of our residents.

With opportunities for markets, festivals and other community events, our town centres are an important part of the social fabric of Cumberland and a meeting place for the community.

Capital Works and Priority Areas

Council is continually constructing and maintaining footpaths, roads, buildings, parks and drains. The Capital Works Program outlines the annual budget allocated for these activities, specifically for Council-owned and managed assets. Council's proposed capital expenditure for 2025-2026 is \$92.3m, which includes new and major capital projects worth \$36.9m. Council plans to use Section 7.11 reserves of \$27.6m and other reserves of \$5.8m for its 2025-2026 Capital Works Program.

Council's priority capital works projects that are planned for delivery in the 2025-2026 period include:

Budget Summary

Cumberland City Council is committed to measuring important aspects of financial performance. This Plan ensures Council is well placed to achieve this commitment by meeting the following criteria:

- Financial sustainability as outlined in the Financial Planning and Sustainability Policy
- Asset management as outlined in the Asset Management Strategy as part of the Resourcing Strategy
- Sustainable service delivery.

The 2025-2026 budget projects a net surplus of \$3.5m before Capital Contributions. The budget expenditure is based on the existing service levels and complies with the Financial Planning and Sustainability Policy and has a fully funded works program for the next financial year. The measures below are set against Long Term Financial Plan (LTFP) benchmarks.

Balanced Budget	2025-2026 Budget	Target	LTFP
Recurring Results ('000s)	\$3,500	>\$0.00	<div></div>
Operating Performance Ratio	1.32%	>0	<div></div>
Infrastructure Renewal Ratio	122.92%	>100%	<div></div>
Capital Program Delivery	\$92.3m	100%	<div></div>
Debt Service Ratio	13.87%	>2.0x	<div></div>
Available Funds	\$18.0m	\$10.0m	<div></div>

Profit and Loss

Net Income is projected to increase by \$16.2m (5.9%) when compared to the approved 2024-2025 budget, noting the following movements:

- Rates set in accordance with the Rates Pegging Limit set by the Independent Pricing and Regulatory Tribunal (IPART).
- Increase in Domestic Waste Management charges to cover the costs of delivering the service.
- No increase in the Stormwater Management Levy as it is capped by amendment 2005 of the *Local Government Act 1993*.
- Increase in User Fees (excluding statutory fees) at a base of 4.0%.
- Decrease in other revenue by \$1.5m due to changing regulations around parking fines.
- Decrease in Operating Contributions by \$1.8m as one-off grants will be finalised in the 2024-2025 budget.
- Increase in Capital Contributions by \$7.9m as a result of progression of large capital work projects, particularly projects under the Western Sydney Infrastructure Grants Program (Formerly WestInvest).

Expenses are projected to increase by \$7.8m (3.2%), noting the following movements:

- Increase in Employee Costs by \$3.8m. The budget incorporates an increase in the Local Government Award and an estimated increase to superannuation contributions to 12.0%.
- Increase in Materials and Services by \$1.0m resulting from increases in non-discretionary costs such as insurance and utilities, offset by reductions in several grant funded programs which are due to be finalised in the 2024-2025 budget. Other non-grant funded expenditure is expected to increase with expected CPI and in line with Council contracts.
- Increase in Depreciation by \$2.4m, in line with anticipated impacts of asset revaluations and new assets coming online.

Major Projects and Upgrades

Auburn Basketball Centre Expansion

The Auburn Basketball Centre Expansion Project will include the construction of a new dedicated training and development high performance facility to cater for a full spectrum of participation and athlete pathway development. The Centre will be primarily used for training purposes by the Sydney Kings and Sydney Flames, alongside the Hoops Capital Academy. In addition to the training and administration of players, the Basketball Centre may host other special events such as members days, open training days and other events.

Duck River Parklands Strategic Masterplan

Guided by the Duck River Strategic Masterplan, Council will deliver two new parklets at the end of Mimosa Street and Seventh Street in Granville. These parklets will assist in improving local connections to the Duck River Parklands, provide new seating areas and play items as well as environmental elements for the treatment of stormwater runoff from urban catchments. A viewing platform will be installed as part of the Seventh Street Project to improve visual access to Duck River.

Girraween Park Amenities

Council is delivering a new amenities building for Girraween Park. This new building is to replace the existing amenity block which is nearing the end of its serviceable life. This building will better serve sporting clubs and the community, by improving accessibility, inclusion and service levels in addition to providing a new bookable community meeting room.

Guildford Pool Modernisation

Guildford Swim Centre is undergoing an exciting transformation to deliver a new state-of-the-art Aquatic Centre for the local community. The redevelopment will provide a range of new facilities including an indoor program pool and outdoor pool. These new facilities will provide for a range of age groups and participation levels through services and programs including learn to swim, recreational swimming, gentle aquatic-based exercise and rehabilitation.

Hyland Road Sporting Complex

A new state-of-the-art regional sporting facility is to be delivered through the Western Sydney Infrastructure Grants Program (Formerly WestInvest). The Sporting Complex will provide indoor and outdoor facilities, catering to a wide variety of sports and user groups.

Lidcombe Town Centre Upgrade

Public domain improvements will be undertaken at the Joseph Street Precinct, Lidcombe. The improvements aim to give the community better public streets and more public space with a range of facilities including outdoor dining opportunities, new tree canopy cover, public art and new street furniture.

Wentworthville Town Centre Upgrade

Public domain improvements will be undertaken at Kingsway and Station Street, Wentworthville. These improvements will provide a range of facilities including new street tree planting, accessible parking space, new paving, street furniture and lighting.

Granville Park Playspace

The upgrade to the existing playground at Granville Park will include a range of different play zones and types including water play, adventure play, swings, nature play, scooter and riding. New amenities include BBQs, picnic shelters and settings, new amenities block and showers. The concept will deliver a wider range of play activities for year-round fun.

Playspace Upgrades

Council will engage with the community prior to delivering upgrades at the below parks. These upgrades will include renewal of play equipment, improved access through new paths and/or rubber softfall, planting of native plants and shade trees and new park furniture.

- Kootingal Street Park Greystanes
- Excelsior Street Playground, South Granville
- Roberta Street Park, Greystanes

Service Review Program

Service reviews are a vital process that Cumberland City Council uses to ensure that services and facilities meet community needs and wants now and into the future. They ensure that Council is being effective in delivering the desired outcome for the community and that Council is continually improving how available resourcing (assets, people, financing and technology) is being utilised and redirecting savings to new or improved services.

Service reviews are seen as part of Cumberland City Council's 'business as usual' practices and a central part of Council's continuous improvement process. Council is investing significantly in its internal ability to provide an internal better practice service review program. Council's service review methodology includes engagement with the community, customers and other internal and external stakeholders to determine service level expectations and inform appropriate performance measurement.

Council's Continuous Service Improvement (CSI) Service Review Program has the following service areas scheduled for review for 2025-2026. Detailed reporting on specific reviews undertaken each year are contained in Council's Annual Report.

- Capital Works and Asset Renewal
- City Maintenance - Footpaths

Castle Street

Foundation of our Plans

Cumberland City Council has taken an integrated approach to developing the full suite of Integrated Planning and Reporting documents.

The foundation of our plans is to create a strong line of sight across documents and clearly communicate key components of the IP&R Framework.

Cumberland will introduce icons to more visibly represent key information including:

- Strategic Directions
- Quadruple Bottom Line (QBL)
- Social Justice Principles
- Council's Role

Community Reading Boxes

Strategic Directions

Following extensive community engagement, the Community Strategic Plan has captured what the community values most about Cumberland and conveyed this through four high level Strategic Directions.

The four Strategic Directions will be represented throughout Council's IP&R documents with the following icons:

Supporting a safe, healthy, creative and connected community

Enhancing the natural and built environment

Delivering sustainable, safe and accessible infrastructure and services

Providing transparent, accountable and strong local leadership

Quadruple Bottom Line

There are four pillars which local government must build to ensure the community receives the services they expect. The Quadruple Bottom Line (QBL) is a framework to evaluate performance across these four pillars:

- Social
- Environmental
- Economic
- Civic Leadership.

Council is required to plan based on the QBL in an integrated way to ensure Cumberland City balances community needs to create a sustainable city. The Strategic Directions within the Cumberland Community Strategic Plan are aligned with the four pillars of the QBL, with reporting against these directions also representing reporting against the QBL.

The four pillars of the QBL will be represented throughout Council's IP&R documents with the following icons:

SOCIAL

ENVIRONMENTAL

ECONOMIC

CIVIC LEADERSHIP

 Social	Access and equity	Providing and maintaining community facilities	Affordable housing
	Cultural activities	Heritage issues	Education
	Recreation and active living	Consultation networks	Transport links between communities in our LGA
	Built environment – urban design and planning for growth	Public health	Public safety

 Environmental	Total water cycle management	Climate change impacts and initiatives	Environmentally sound operation of assets
	Preserving biodiversity	Alternative energy sources	Protecting specific environmental features
	Waste management	Air quality	Environmental impact of development

 Economic	Regional economic profiles and opportunities	Tourism	Financial sustainability of Council
	Economic sustainability strategies	Providing vocational pathways	Small business strategies
	Commercial and industrial opportunities	Supply chain issues	Transport and trade links with other centres

 Civic Leadership	Robust policy frameworks	Council's role as a responsible employer	Community ownership and implementation of the strategic plan
	Decision making principles and allocation of priorities	Business efficiency and probity expectations of Council	Consultation and community participation in decision making
	Leadership and representation	Ethical practices	Levels of service

Social Justice Principles

Council's planning and service delivery is based on social justice principles. These principles ensure fairness in the distribution of resources, access to services and participation in decision-making to benefit the community.

ACCESS

To ensure all people have access to goods and services regardless of age, gender and ethnicity. Council's planning outlines a commitment to provide and advocate for services and facilities that are beneficial to Cumberland's diverse population.

PARTICIPATION

To enable people to participate in decisions which affect their lives and support opportunities for planning and decision-making processes to reflect the diverse and wide range of community voices.

Social Justice Principles will be represented throughout Council's IP&R documents with the following icon:

RIGHTS

To protect individual liberties to information about circumstances and decisions affecting people and to provide an appeal mechanism for decisions which they feel are unfair.

EQUITY

To ensure fair distribution of available resources across society. Council is committed to fairness in providing services, making decisions and distributing resources equally, giving consideration for those in need to ensure increased collective benefit for the whole community.

Council's Role

Council is responsible for the provision of goods, services, facilities and carrying out activities appropriate to the current and future needs within its local community and of the wider public. Many of the issues facing Cumberland are complex and are beyond simply delivering services. It is acknowledged that Council cannot deliver everything needed to help the community achieve their vision for the future set out in the Community Strategic Plan. Other partners, such as state agencies and community groups, may also be engaged in delivering the long term objectives of the Plan.

The CSP identifies the role of Council in contributing to the Strategic Directions.

- **Deliver**
 - » Refers to the direct services and facilities Council delivers to meet local community needs.
- **Partner**
 - » Partnering involves collaborating with other organisations, government agencies, businesses and other community groups to achieve shared outcomes.
- **Advocate**
 - » Advocate on behalf of our communities, giving a voice to their needs and aspirations. Council will call on other levels of government and businesses for policy and regulatory reform as well as changes to service provision for the benefit of the city and its communities.

Council's role will be represented throughout Cumberland's IP&R documents with the following icons:

Our Shared Vision, Values and Aspirations

OUR COMMUNITY VISION:

Welcome
Belong
Succeed

OUR SHARED ASPIRATIONS

Our shared aspirations reflect what the residents of Cumberland City envision for the area, both now and in the future. These aspirations guide us in ensuring that we remain focused on achieving what we set out to accomplish.

Following extensive community engagement, the Community Strategic Plan has four high level strategic directions, capturing the community's aspirations for Cumberland City:

*Supporting a safe, healthy,
creative and connected community*

*Enhancing the natural
and built environment*

*Delivering sustainable,
safe and accessible
infrastructure and services*

*Providing transparent, accountable
and strong local leadership*

OUR ORGANISATION'S VALUES:

The community's vision serves as the foundation for our organisation's values, guiding how we work to achieve shared goals. These values shape our approach, ensuring we remain aligned with the community's aspirations. Our organisation's values are:

We are **determined**
to succeed

We are **inclusive**
in our approach

We are **progressive**
in our outlook

Strategic Direction 4	85
Evaluating the Operational Plan	113

Delivering Through Services

Council's service structure has 35 frontline and internal services. All internal services are charged on a full cost recovery basis to allow for accurate measurement of the subsidy provided for each service.

The Operational Plan 2025-2026 provides detailed service plans that contain:

- A service description explaining what the service does
- Service expectations that provide the level of service the community can expect
- Community Strategic Plan 2025-2035 alignment
- Principal deliverables and actions for each sub service, supported by performance measures and targets to assess how the area is working towards the community priorities
- Financial data and resourcing required to deliver the service. All figures in parentheses () relate to income/surplus.

Our Organisation Structure

Council has developed the four-year Delivery Program through extensive engagement with the Cumberland community to understand their needs and aspirations for the future of Cumberland. Informed by this input from our community, this Operational Plan sets out Council's planned annual activities and associated budget to fulfill the objectives of the Delivery Program. As reflected in the Delivery Program, the below organisation structure is in place to deliver this work in the most effective and efficient way, and in giving our community the best possible value for the income we receive. Determining the structure depicted below is consistent with the provisions of S332 (1B) of the NSW *Local Government Act 1993*.

QBL

How will we get there?

STRATEGIC DIRECTION 1 Supporting a safe, healthy, creative and connected community

Objective 1.1 Our community is resilient, cohesive, creative and supports inclusion, access and diversity

- **Strategy 1.1.1** Encourage and support participation in children and youth services
- **Strategy 1.1.2** Embed culture and creativity in everyday life, providing access to cultural events, arts and activities
- **Strategy 1.1.3** Provide and promote resources, services and programs that celebrates the diversity in our community

Objective 1.2 We have a safe, healthy and connected community

- **Strategy 1.2.1** Provide access to crime prevention and community safety initiatives
- **Strategy 1.2.2** Deliver accessible health and wellness programs and initiatives
- **Strategy 1.2.3** Provide access to services and information to support health, wellbeing and address homelessness

Objective 1.3 Our community is empowered with knowledge, support and capacity building

- **Strategy 1.3.1** Ensure high quality education and care services are available
- **Strategy 1.3.2** Provide education and recreation activities through high quality and accessible library services and programs
- **Strategy 1.3.3** Provide access to employment and capacity building pathways and opportunities

STRATEGIC DIRECTION 2 Enhancing the natural and built environment

Objective 2.1 We celebrate our diverse built and natural environments

- **Strategy 2.1.1** Prepare land use plans and controls that support population growth, provide diverse housing and employment options and value our local character and heritage
- **Strategy 2.1.2** Care for our natural environment to support a resilient and sustainable city
- **Strategy 2.1.3** Facilitate planning activities through development management and environmental services and programs

Objective 2.2 We have places and spaces that are vibrant, accessible and encourage economic prosperity

- **Strategy 2.2.1** Cultivate an environment where businesses and communities can flourish
- **Strategy 2.2.2** Improve access and convenience through traffic and transport initiatives
- **Strategy 2.2.3** Local infrastructure is designed to be sustainable, safe and fit for purpose

STRATEGIC DIRECTION 3 Delivering sustainable, safe and accessible infrastructure and services

Objective 3.1 We have public spaces and recreational assets that are welcoming, liveable and promote pride in the area

- **Strategy 3.1.1** Provide equitable access to open green spaces
- **Strategy 3.1.2** Ensure our valued recreational spaces and venues are fit for purpose and encourage active lifestyles
- **Strategy 3.1.3** Provide safe, accessible and welcoming recreational initiatives, programs and services

Objective 3.2 We have a clean and safe environment to live, work and play

- **Strategy 3.2.1** Local laws and regulations are monitored and enforced for the benefit of all people in Cumberland
- **Strategy 3.2.2** Embed community pride in the cleanliness and upkeep of our valued public spaces and streetscapes
- **Strategy 3.2.3** Provide access to sustainable waste services that keep our community clean and tidy

Objective 3.3 Our community infrastructure assets are well planned, delivered and maintained

- **Strategy 3.3.1** Plan and deliver accessible, safe and high quality infrastructure and services
- **Strategy 3.3.2** Maintain and renew Council's infrastructure network and assets

STRATEGIC DIRECTION 4 Providing transparent, accountable and strong local leadership

Objective 4.1 We are proud to be served by a sustainable, responsible and transparent organisation, underpinned by good governance

- **Strategy 4.1.1** Build public trust in local leadership and embed a culture of governance and probity in Council's processes and services
- **Strategy 4.1.2** Operate in a financially responsible manner to deliver services and facilities that offer value for money and create economic growth ensuring long term sustainability
- **Strategy 4.1.3** Attract and retain local talent to position Council as an employer of choice

Objective 4.2 We make progressive decisions, building a culture of sustainable innovation, excellence and safety

- **Strategy 4.2.1** Drive and implement continuous service excellence and business improvement through robust work practices and reviews
- **Strategy 4.2.2** Ensure sustainability through innovative, efficient and effective technology practices
- **Strategy 4.2.3** Foster a culture of wellbeing, learning and safety

Objective 4.3 We are well informed, engaged and included in decision making and long term planning and have easy access to Council

- **Strategy 4.3.1** Effectively communicate and engage with the community about services, programs and offerings
- **Strategy 4.3.2** Empower community involvement in decision making initiatives to drive a collaborative approach for long term planning
- **Strategy 4.3.3** Deliver excellence in customer service and provide easy access to community centres and civic engagements
- **Strategy 4.3.4** Provide equitable access to information and data to help make informed decisions

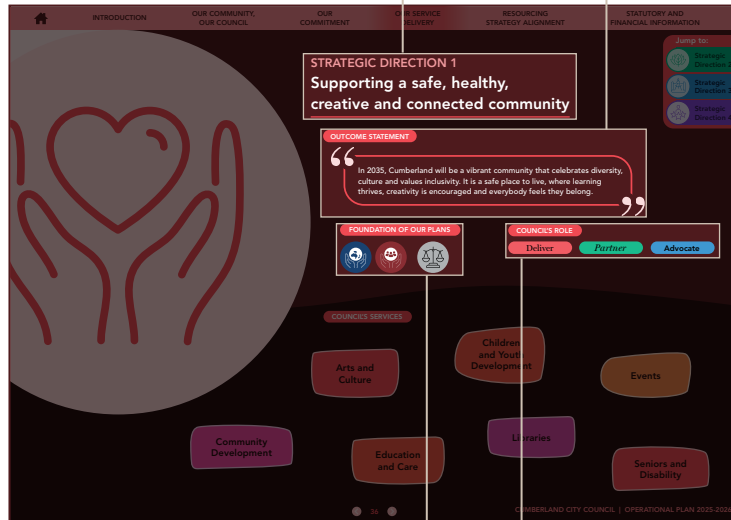

How to read this Plan

Strategic Direction

Highlights the key community priorities.

Outcome Statement

This outlines community's vision and aspirations for Cumberland in 2035.

Foundation of our Plans

Aligns and integrates our strategic directions to the Quadruple Bottom Line and Social Justice Principles, creating strong line of sight across our documents.

Council's Role

Council serves as a custodian of community objectives, working in partnership with other governments, businesses, industry groups and community organisations to achieve shared goals.

Service Description

Description of the services in order to fulfil the CSP Strategic Direction.

Responsible Officer

Refers to the operational staff responsible for executing and implementing the actions on a day-to-day basis.

CSP Objective

Define the community's long term vision and answers the question 'Where do we want to be in 10 years' time?'

Budget

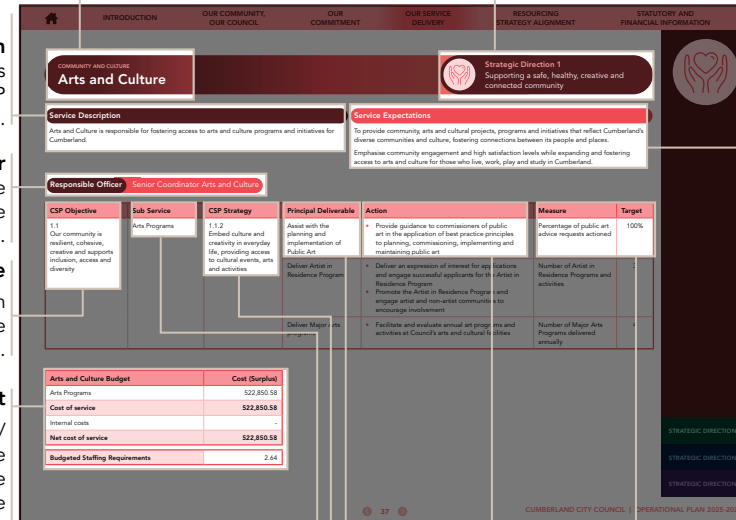

Breakdown of the cost and/or surplus from each of the sub services provided by the Service. Net cost of the Service with and without Internal costs are provided. Figures without parentheses indicate cost, whereas figures with parentheses indicate surplus/income.

Service

Responsible for service delivery to the community. Services align with CSP Strategic Directions.

Strategic Direction

Highlights the key community priorities.

Service Expectation

The expectations and standards the Service is committed to deliver for the community.

Sub Service

Responsible for delivering specific actions related to the service. Sub Services align with CSP Objectives.

CSP Strategy

Outlines the high level actions to be undertaken by Council and its partners and answers the question 'How will we get there?'

Principal Deliverable

Responsible for delivering specific actions related to the service. Principal Deliverables align with CSP Strategies.

Actions

Describes the activities that will be carried out in the next financial year to support the achievement of the principal deliverable.

Measure and Target

These provide a framework to measure and report progress on the implementation of this Plan. Targets are set and to be met over the annual period.

Children and Youth Development

**Strategic Direction 1**

Supporting a safe, healthy, creative and connected community

Service Description

Children and Youth Development is responsible for developing and implementing community development initiatives and projects that support expectant parents, children (0-12 years), youth (12-25 years) and families across the Cumberland area.

This service also oversees Council's internal and external child protection functions.

Service Expectations

To develop community focused partnerships, initiatives and programs aimed at improving outcomes and opportunities for children, young people and their families. Children and Youth Development ensures Council meets its child protection responsibilities, complying with legislative requirements and best practices.

Community Development

Strategic Direction 1

Supporting a safe, healthy, creative and connected community

Service Description

Community Development is responsible for the planning and implementation of community capacity building initiatives, as well as strengthening the community sector across the Cumberland.

Service Expectations

Developing the community sector in Cumberland to improve outcomes for residents, visitors and the wider community. This involves delivering capacity building programs, community grants, referral services to domestic violence survivors and those facing homelessness. Community Development achieves this by engaging with residents, consulting community organisations, complying with relevant guidelines and legislation and following Council direction and policy.

**Strategic Direction 1**

Supporting a safe, healthy, creative and connected community

Service Description

Seniors and Disability Services aims to improve the lives of seniors, people with disability and carers in our community. This is achieved through the provision of services including transportation, meals and social programs, events and implementation of Council's Disability Inclusion Action Plan (DIAP).

This service supports Council services and operations through the recruitment and retention of volunteers, while providing residents the opportunity to give back to their community or enhance their pathways to employment.

Service Expectations

To provide valued services and programs that enhance the quality of life to residents who are seniors, people with disability and carers, ensuring that compliance with relevant service standards, guidelines and legislative requirements are met.

To provide opportunities for community members to make a valuable contribution to their community or enhance work experience through opportunities to volunteer.

Capital Works and Assets Renewal

**Strategic Direction 3**

Delivering sustainable, safe and accessible infrastructure and services

Service Description

The Capital Works and Assets Renewal service manages the construction of new infrastructure assets and the renewal of Council's existing assets, including roads, buildings, open space and stormwater.

Construction works are undertaken in accordance with the annual Renewal Program and the construction of any new asset is undertaken as per the needs of the community.

Service Expectations

To deliver Council's Capital Works Program in line with Council's Asset Management Plan and within the required timeframe, budgets and engineering standards. This service follows best practice project management and governance processes.

Responsible Officer Manager City Assets and Construction

Bookings and Community Centres

Strategic Direction 4

Providing transparent, accountable and strong local leadership

Service Description

Bookings and Community Centres operates Council's three staffed community centres located in Auburn, Berala and Guildford providing residents and visitors with a welcoming place to meet for a range of activities.

This service is also responsible for the day-to-day management of bookings for non-staffed community halls, passive parks, sports fields and tennis courts in addition to managing the event and filming application process.

Service Expectations

To enhance the visibility and usage of Council's staffed community facilities and bookable spaces, focusing on increased utilisation, accessibility and efficiency.

This service also ensures that current and future community facilities are designed and operated to meet the specific needs and aspirations of the local community, while aligning with Council's strategic goals.

CORPORATE PERFORMANCE

Business Improvement

**Strategic Direction 4**

Providing transparent, accountable and strong local leadership

Service Description

Business Improvement coordinates Council's Continuous Service Improvement (CSI) Program which ensures Council is continually reviewing its services to be as efficient and effective as they can be.

This service also leads Council's Business Process Management (BPM) Program that provides consistency and transparency throughout Council's processes and allows for effective process review and improvement. This service also delivers a range of innovative project and training aimed at maximising Council's return on investment in corporate systems.

Service Expectations

To provide clear and informed recommendations to the Senior Leadership Team on how Council can better meet the needs of the community, coordinating the implementation of endorsed recommendations to ensure effective service delivery.

Foster a culture of continuous Business Process Management (BPM), through the provision of both training, process mapping and improvement that will lead to a more consistent and transparent organisation.

Building a better understanding of the internal service offerings at Council, focusing on stakeholder satisfaction and customer service. Using collated data to report on strengths and weaknesses so that a culture of continuous improvement is developed across the organisation.

CORPORATE PERFORMANCE

Corporate Strategy, Planning and Performance

**Strategic Direction 4**

Providing transparent, accountable and strong local leadership

Service Description

Corporate Strategy, Planning and Performance delivers Council's Integrated Planning and Reporting (IP&R) requirements, corporate planning, performance management and strategic business support to the wider organisation.

This service partners with businesses to build capacity within the organisation to achieve best practice planning and performance outcomes.

Service Expectations

To ensure Council meets all legislative obligations under the IP&R legislation, has a sophisticated and effective performance measurement and reporting framework and a mature performance data management system.

Corporate Strategy, Planning and Performance supports the organisation to develop and implement its Corporate Mission, Goals and Strategy, while providing the organisation with business support, training and tools to complete corporate planning and performance reporting tasks to achieve best practice.

CORPORATE PERFORMANCE

Information Technology

**Strategic Direction 4**

Providing transparent, accountable and strong local leadership

Service Description

Information Technology (IT) offers sustainable, robust and easily expandable network infrastructure and desktop hardware. IT also includes service desk support and disaster recovery services, along with the management of the TPG private cloud infrastructure.

The service is also tasked with overseeing all corporate information systems across Council, encompassing various data sets. Additionally, it provides support for Geographical Information Systems (GIS) and aids in the implementation of corporate system initiatives.

Service Expectations

To uphold both internal and external systems to guarantee the availability and accessibility of information, catering to the community's needs. This involves ensuring the security of Council's IT infrastructure and network, implementing proper governance controls and consistently providing Council software and systems, while also refreshing outdated infrastructure when necessary.

CORPORATE PERFORMANCE

Strategic Communications and Engagement

**Strategic Direction 4**

Providing transparent, accountable and strong local leadership

Service Description

Strategic Communications plans and delivers two-way communications, engagement and media initiatives across Council with a high degree of professionalism and initiative while executing priority projects and campaigns in a fast-paced environment.

Service Expectations

To ensure the community is informed of Council policies, programs, services and initiatives and providing timely community engagement consultations for residents to have input in Council's decision making, in addition to providing support to all service areas within Council to ensure a high level of internal and external satisfaction is delivered.

Responsible Officer Coordinator Community Engagement and Communications

CSP Objective	Sub Service	CSP Strategy	Principal Deliverable	Action	Measure	Target

Evaluating the Operational Plan

Council's evaluation process for the Operational Plan (OP) ensures transparency, accountability and alignment with the Community Strategic Plan (CSP), through its robust reporting mechanisms.

Performance is tracked through six-monthly Performance and Progress reports, the Annual Report, Quarterly Budget Reviews and biennial Community Satisfaction Surveys, offering a comprehensive assessment of service delivery, financial sustainability and community impact.

Internally, Council monitors operational efficiency across departments using a variety of internal performance metrics. This data serves as a foundation for continuous progress tracking, strategic decision making and optimal resource allocation, ensuring the delivery of effective and responsive services to the community.

Measuring Progress

Council also measures progress through a suite of key reporting documents:

- **State of our City Report**
 - » Evaluates progress against the Community Strategic Plan objectives and published at the end of each Council term.
- **Annual Report**
 - » Consolidates Council's achievements, statutory requirements and financial performance in delivering on commitments outlined in the Delivery Program and Operational Plan.
- **Performance and Progress Report**
 - » Provides a six-monthly update to the community on the performance and progress of the specific actions outlined in the Operational Plan.

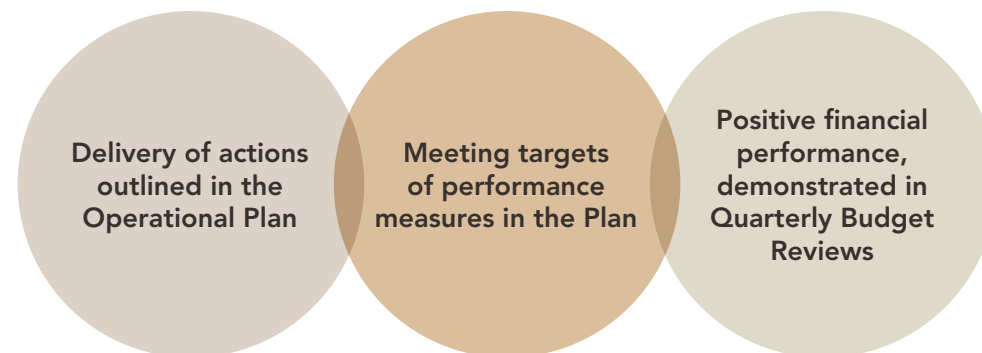

Assessment Methods

Performance is assessed using a combination of methods across social, environmental, economic and civic leadership perspectives. Performance measures outlined in the Operational Plan provide clear standards for optimal service delivery whilst striving towards CSP objectives and strategies.

Quarterly Budget Reviews ensure fiscal responsibility by summarising Council's financial position for the elected Council. They provide a mechanism to track progress against the Operational Plan and revised budgets, enabling informed adjustments, if necessary, while keeping the community updated on financial and service delivery performance.

Indicators of Success

The Operational Plan's success is indicated by:

Resourcing Strategy Alignment

Resourcing Strategy Alignment	115
Asset Management Strategy	116
Workforce Management Strategy	118
Digital Strategy	121
Long Term Financial Plan	124

Resourcing Strategy Alignment

The Resourcing Strategy seeks to provide clear and detailed information on how Council plans to resource the commitments it has made in the Delivery Program, which is informed by the Community Strategic Plan. This Operational Plan outlines the commitments Council has committed to for Year One 2025-2026 of the Resourcing Strategy.

Council's Resourcing Strategy is made up of four integrated components:

- Asset Management Planning
- Workforce Management Planning
- Digital Planning
- Long Term Financial Planning

Workforce Management Strategy

2025-2029

[CLICK TO START >](#)

Workforce Management Actions

In order to effectively respond to the future needs of Council's workforce, the directions of the Workforce Management Strategy have been categorised into six key focus areas:

- Attract and retain diverse talent.
- Invest and build in the leadership capabilities of our staff.
- Deliver opportunities for local employment.
- Strengthen the engagement within our workforce.
- Facilitate a culture of continuous improvement.
- Plan for our future workforce and organisational needs.

Supporting these key focus areas are action items which will enable Council to effectively demonstrate the delivery of the key focus areas outlined in this strategy.

1. Attract and retain diverse talent

ACTION	PERFORMANCE INDICATOR/OUTCOME	RESPONSIBILITY	REPORTING DUE
Promote Council's Employee Value Proposition (EVP)	<ul style="list-style-type: none">• Review and evaluate employment conditions against climate survey data and other Councils.• Identify the top three (3) priority areas of the 2024 Culture and Engagement Survey impacting engagement and implement strategies to address these priorities.	Human Resources	Year 1 2025-2026

2. Invest and build in the leadership capabilities of our staff

ACTION	PERFORMANCE INDICATOR/OUTCOME	RESPONSIBILITY	REPORTING DUE
Development and implementation of a formal Job Shadowing Program	<ul style="list-style-type: none">• Ensure minimum of five (5) officers and Senior Managers participate in this program to assist staff in making better informed decisions on their career of choice	Human Resources	Year 1 2025-2026

3. Deliver opportunities for local employment

ACTION	PERFORMANCE INDICATOR/OUTCOME	RESPONSIBILITY	REPORTING DUE
Creation of a formal Apprenticeship and Traineeship Program	<ul style="list-style-type: none">• In line with the NSW Government announcements for funding of additional Apprentices and Trainees, Council will offer a holistic program of apprenticeship and traineeship opportunities for the Cumberland community	Human Resources Department Managers	Year 1 2025-2026

4. Strengthen the engagement within our workforce

ACTION	PERFORMANCE INDICATOR/OUTCOME	RESPONSIBILITY	REPORTING DUE
Establish a Women's Empowerment Group	<ul style="list-style-type: none">Establishment of a networking group to increase women's participation and improve gender equality data across the organisation	Human Resources Community Development	Year 1 2025-2026

5. Facilitate a culture of continuous improvement

ACTION	PERFORMANCE INDICATOR/OUTCOME	RESPONSIBILITY	REPORTING DUE
Review working modes across the organisation	<ul style="list-style-type: none">Consult with staff, review and evaluate methods of work to improve productivity and output	Human Resources	Year 1 2025-2026

6. Plan for our future workforce and organisational needs

Digital Actions

The Digital Strategy Action Plan provides six focus areas with detail by key projects and services, description of the activities, the action required to be undertaken and the year in which the action will be delivered.

1. Customer-Centric Digital Services

Create customer-centred programs and services using technology to be more efficient and responsive to the needs of Council and the community.

INFORMATION SERVICES PROJECTS AND SERVICES	ACTIONS	REPORTING DUE
NSW Planning Portal Roadmap Implementation	Align NSW Planning Portal Roadmap implementation with Council's Systems	Year 1 2025-2026

2. Modern Technology Landscape

Use efficient and secure technology that will support the Council business, employee productivity and wellbeing.

INFORMATION SERVICES PROJECTS AND SERVICES	ACTIONS	REPORTING DUE
Strategic Asset Management	Investigate Asset Management Technology and options to integrate with TechOne	Year 1 2025-2026
TechnologyOne CiA Human Resources & Payroll Review	Implement the HR and Payroll Solution to increase efficiency, integration and reporting	Year 1 2025-2026
Intelligent Asset Management	Support the delivery of Actions within Council's Smart Places Strategy	Years 1 to 4 2025-2029
CiA – Business Process Automation Forms	Implement Business Process Automation to increase efficiency, reduce errors and improve overall productivity	Years 1 to 4 2025-2029

3. Data-driven Business Insights

Enable data-informed decision-making. All investment decisions, policies and service delivery models are informed by trustworthy data insights.

INFORMATION SERVICES PROJECTS AND SERVICES	ACTIONS	REPORTING DUE
Data Cleansing	Leverage customer data, profiles and analysis	Years 1 to 2 2025-2027
CiA Reporting/ Dashboards/ Analytics	Uplift existing dashboards, develop smart reporting and business intelligence tools, provide accessible reporting of strategic plans	Year 1 to 4 2025-2029
Develop Data Governance Framework	Formalise monitoring and reporting of Information Services performance and service satisfaction	Years 1 to 4 2025-2029
TechnologyOne Quarterly Performance Review (QPR) Implementation	Implement dashboards for management, log feedback and changes, work with Strategy and Improvement team on requirements	Years 1 to 4 2025-2029

Customer Service staff member helping to use kiosk

4. Information Services Operating Model

Evolve the role and skills of Information Services to respond better to demands of the Council business. Information Services staff will work more closely with service delivery teams to embrace digital opportunities.

INFORMATION SERVICES PROJECTS AND SERVICES	ACTIONS	REPORTING DUE
Review Information Services Operating Model and rebranded department	Review Information Services business and customer-centric operating model, including structure, skills and staffing levels. Consider 'Business Partners' aligned to Council services	Year 1 2025-2026
Implement formal Information Technology Governance practices	Implement Information Technology Governance aligned to contemporary leading practice	Year 1 2025-2026
Address skill and capability gaps to ensure alignment to future needs	Identify training and development needs for Information Services staff, including formal certifications to build capability	Years 1 to 4 2025-2029
Implement Digital Services self-service capability	Provide tools and channels for users to access knowledge, raise requests or incidents and track resolution	Years 1 to 4 2025-2029

5. Strong Cyber Security and Governance

Implement robust and effective Cyber Security controls and appropriate governance structures to protect and secure systems and data.

INFORMATION SERVICES PROJECTS AND SERVICES	ACTIONS	REPORTING DUE
Develop Third Party Security Management	Develop Third Party Security Management Standard, incorporating assurance and compliance requirements	Year 1 2025-2026
Vulnerability Assessment and Penetration Testing	Perform Internal and External Vulnerability Assessment and Penetration Testing	Years 1 to 4 2025-2029
Establish Security Requirement aligned guidelines	Develop / Refresh Policies, Standards and Procedures in line with security requirements	Years 1 to 4 2025-2029

6. Vision for Digital Innovation

Assist in the delivery of Smart Places Strategy projects and Internet of Things, to improve asset management and customer service. Explore machine learning and artificial intelligence to optimise service delivery.

INFORMATION SERVICES PROJECTS AND SERVICES	ACTIONS	REPORTING DUE
Explore AI Trials	Implement AI planning trials as part of the NSW Government Program	Year 1 2025-2026
Use new technologies, including Internet of Things and GIS data for predictive management	Establish self-service interactive maps and 3D Modelling capabilities to manage built and natural assets and meet statutory requirements	Years 1 to 2 2025-2027

Long Term Financial Plan Actions

The Long Term Financial Plan (LTFP) outlines key actions to ensure Council's financial sustainability and ability to deliver essential services and infrastructure for the community. Over the next year, the LTFP will focus on:

- Maintaining Council performance against sustainability indicators set by the Office of Local Government and exceeding financial sustainability indicators.
- Developing a detailed, fully funded long term capital works and renewals program that allocates developer contributions projects to future years and addresses the infrastructure backlog.
- Maintaining unrestricted cash above \$10m every year.
- Implementing a model to appropriately allocate projects and programs across multiple years to ensure intergenerational equity and a reduction in council's asset infrastructure backlog.

Canal Road Park

Statutory and Financial Information

Statement of Revenue Policy	127
Rates Table	128
Annual Charges	128
Financials	129

Statement of Revenue Policy

Council's Statement of Revenue Policy includes the following:

Material Issues

Council provides the following updates on material issues that are currently in progress:

- Developer Contributions – The current developer contributions expenditure estimates are based on the remaining outstanding amounts under the former Council's plans and the adopted Cumberland Local Infrastructure Contributions Plan.
- Cumberland City Council will increase expenditure in the 2025-2026 financial year on three NSW State Government Western Sydney Infrastructure Grants Program funded projects. These projects will run over several forward financial years.
 - » Guildford Pool Modernisation
 - » Lidcombe Town Centre High Street Activation
 - » Hyland Road Sporting Complex.

Schedule of Business or Commercial Activities

Council provides the estimated income in relation to its business and commercial activities:

- Education and Care Centres including Long Day Care (LDC) and Out of School Hours (OOSH). Cumberland City Council operates 13 business cost centres, which are Category 1 businesses.
- Swimming Centres at Auburn, Granville, Wentworthville, Guildford and Merrylands, which are Category 1 businesses.
- Function Centres: Granville Centre, Eric Tweeddale Centre and the Holroyd Centre, which are Category 2 businesses.

Financial Assistance

Pursuant to section 356(2) of the *Local Government Act 1993*, public notice is given that Council proposes to financially assist as follows:

Charities and Not-for-Profit Organisations

As part of Council's budget, funds have been allocated to financially assist charities and not-for-profit organisations for charitable purposes as identified by Council.

The nominated entity and amount will be determined through a Council Resolution in accordance with the Emergency Relief Fund Guidelines.

Community Grants and Donations

Council's Community Grants Program provides financial support to successful applicants for projects or purposes that deliver a defined community benefit. The Community Grants Program consists of grants which are outlined in Council's Community Grants and Donations Policy and Community Grants Guideline.

Proposed Borrowings

There are no new proposed borrowings for the 2025-2026 financial year.

Rates Harmonisation

The 2025-2026 financial year marks the first time Cumberland City Council will apply a single, consistent rating structure across all areas. This follows the council merger in 2016, where different rate systems were in place for each of the former Council areas that formed Cumberland.

Rating Statement

In accordance with Section 405 of the *Local Government Act 1993*, Council provides the following details of ordinary and special rates:

- Council's 2025-2026 rating structure consists of Ordinary Rates which are calculated by using an ad valorem method being land value multiplied by a rate in the dollar and subject to a Minimum Rate.
- The 2025-2026 budget has been based on a rate peg increase of 7.1%, as set by IPART in October 2024 for Cumberland City Council.
- A general 2022 revaluation as at base 1 July 2022 has been provided by the NSW Valuer Generals Office.
- No special rates have been proposed for 2025-2026.

Rates Table

The following table summarises the rating fees for Cumberland City Council which includes the amendments of the *Local Government Act 1993* (Local Government Amendment Bill 2021).

	AD VALOREM \$ per dollar	MEASURE Minimum \$	TARGET Notional Yield \$
Residential			
Residential - Ordinary Rates	0.00130	921.06	83,379,358
Subtotal Residential Rates			83,379,358
Business			
Business - Ordinary Rates	0.00274	1,409.44	11,333,983
Industrial and Multi-Level Shopping Centre (MLSC)	0.00364	1,409.44	31,219,799
Subtotal Business Rates			42,553,782
Total			125,933,140

Waste Services

Annual Charges

In accordance with the *Local Government Act 1993* Section 501 and in addition to the ordinary rates, Council may levy an annual charge for any of the following services:

- Water supply services
- Sewerage services
- Drainage services
- Waste Management services (excluding Domestic Waste Services)
- Any other services prescribed by the regulators.

Council levies an annual charge for its Domestic Waste Management Service and Stormwater Management Service.

Waste Management

The *NSW Local Government Act 1993* Clause 504(1) requires Councils to determine and levy an annual charge for the provision of Domestic Waste Management Services for each parcel of rateable land for which the service is available.

Accountability for revenue-raising through the Domestic Waste Management Charge is set down in the *NSW Local Government Act 1993*, limiting revenue raised to match the reasonable costs required to provide Domestic Waste Management Services.

The Revenue Policy for the Domestic Waste Management Services is, therefore, based upon the setting of an annual charge, the Domestic Waste Management Charge.

Domestic Waste Management Charges Table

Details of the Domestic Waste Management Services include:

- Weekly collection of a 120 or 240 litre bin of domestic waste
- Fortnightly collection of recyclable materials
- Fortnightly Green Waste Service
- Four clean-up collections per calendar year
- Access to the Mobile Problem Waste Collection Service
- Collection and monitoring costs for illegal dumping of domestic/residential waste.

The total estimated yield from 2025-2026 Domestic Waste Management charges is \$58.6 million.

Financials

A detailed breakdown of the Domestic Waste Management Charges is provided in this table:

Category	Unit	Service Charge \$	TARGET Notional Yield \$
240L garbage bin, 240L green waste and 240L recycling bin (single unit dwellings only)	Service	866.00	6,160,724
240L garbage waste bin and 240L recycling bin (former Holroyd only)	Service	776.00	13,867,120
120L/140L garbage bin, 240L green waste and 240L recycling bin	Service	667.00	18,873,432
120L/140L garbage bin, 240L recycling bin (strata properties only)	Service	640.00	19,392,640
Availability charge	Service	209.50	289,110
Additional 240L recycling bin/240L green waste bin	Service	114.00	30,780
Total Domestic Waste Management Charge			58,613,806

Stormwater Management Service Charge

The Stormwater Management Service charge is intended to ensure that maintenance, renewal and improvements to the Council’s stormwater system are adequately funded, with all funds collected and applied to Stormwater Management projects in accordance with the regulations.

The total estimated yield from 2025-2026 Stormwater charges is \$1.8 million.

Category	Service Charge \$	TARGET Notional Yield \$
Residential	\$25 per property	1,074,000
Residential (Strata lots)	\$12.50 per strata unit	373,000
Business	\$25 per 350 sqm capped at \$500 per property	367,000
Business (Strata lots)	\$12.50 per strata unit	27,000
Total Stormwater Management Service Charge		1,841,000

2025-2026 Budget Forecast Table

The Budget Forecast outlines Council’s projected financial position for the year, summarising operational and capital investment. Council will consider its required land and property acquisitions in accordance with the Cumberland Local Environmental Plan (LEP) and Strategic Priorities, funded from the Property Reserve.
