

CUMBERLAND  
CITY COUNCIL

# *Expression of Interest* Schools Sustainability Expo

*25 or 26 October 2023, 9:30am to 2:30pm*  
*Central Gardens, Merrylands*

Cumberland City Council is planning its annual school's sustainability program for stage 3 students in the Cumberland Area.

This event will be held over two days at Central Gardens Merrylands and is free to all primary schools in the Cumberland City Local Government Area. The Expo includes a series of 5 fun and interactive activities, focusing on different aspects of environmental and cultural sustainability.

Free transportation to and from Central Gardens will be provided for by Council.

We would like to personally invite your school to attend **1 day** of fun and educational activities during week 3 of term 4 (25 to 26 October 2023). Places to attend this event are limited to **300** students per day.

**To secure your school's place please respond by completing the details below and return this form to Council by 30 June 2023 by email to [Natalie.Gray@cumberland.nsw.gov.au](mailto:Natalie.Gray@cumberland.nsw.gov.au).**

**This is an Expression of Interest only. Further details will be provided once student numbers are confirmed. For more information please contact Natalie Gray on 8757 9769 or [natalie.gray@cumberland.nsw.gov.au](mailto:natalie.gray@cumberland.nsw.gov.au)**

CUMBERLAND  
CITY COUNCIL

# Draft Program

## *Schools Sustainability Expo*

**Station 1** – A series of games/activities that will allow the students to briefly experience what it is like to live with a disability.

**Station 2** – Interactive waste and resource efficiency-based education presentation that will help the students understand the effects waste can have on the environment.

*(Activities may be subject to change, depending on availability and student numbers.  
In the event of inclement weather, the event may be cancelled.)*

**Station 3** – Aboriginal history in the Sydney Area.

**Station 4** – Theatrical performance about the environment.

**Station 5** – Australian Wildlife presentation with live animals. Focuses on the value of biodiversity and conservation.
