CITY COUNCIL

SCHOOL ZONE SIGNS ORDER

To improve road safety around schools, Cumberland City Council offers safety signs FREE of charge. The appropriate signs should be placed on school fences where the particular offence occurs. Please mark the signs you need by entering the quantity then submit the form (instruction below). This table will be automatically populated when you mark the sign quantities on the following page. If you are going to reply by Fax, please send this page only.

MAIL:

Cumberland City Council
Road Safety Officer
16 Memorial Avenue
Merrylands NSW 2160

NOTES:

Contact details:
name, position
phone or email
(contact on delivery)

Offered signs are made from 5mm corflute, size 600 mm (H) x 1200 mm (W). The easiest way to fix the signs onto the school fences is with cable ties. If your school would like signs in a larger size (900 x 1800mm), please specify that in the "Notes" area above. Signs are redesigned every second year.
