

CUMBERLAND
CITY COUNCIL

South Granville Ward

Capital Works Report

2021/2022

South Granville Infrastructure Works

Council is continually constructing and maintaining footpaths, roads, buildings, parks and drains.

Here is a highlight of our program and allocated spending to date for the 2021/22 financial year in the South Granville Ward.

Major Works

Project	Spend During Period
Auburn Civic Centre Air Conditioning Upgrade	\$1,137,914
Hector Street Bridge Renewal Works	\$631,494
Upgrade paving at Dellwood Street Shops	\$464,550
TOTAL	\$2,233,958

South Granville Ward Councillors

Councillor
Glenn Elmore

Councillor
Paul Garrard

Councillor
Mohamad Hussein

Upgrade at Dellwood Street Shops

This project involved the upgrade of the footpath area and gardens at the Dellwood Street shopping area. The upgrade works consist of; installation of picnic and bench seats, stainless steel security bollard, new dual bin enclosures, landscaping with new garden beds.

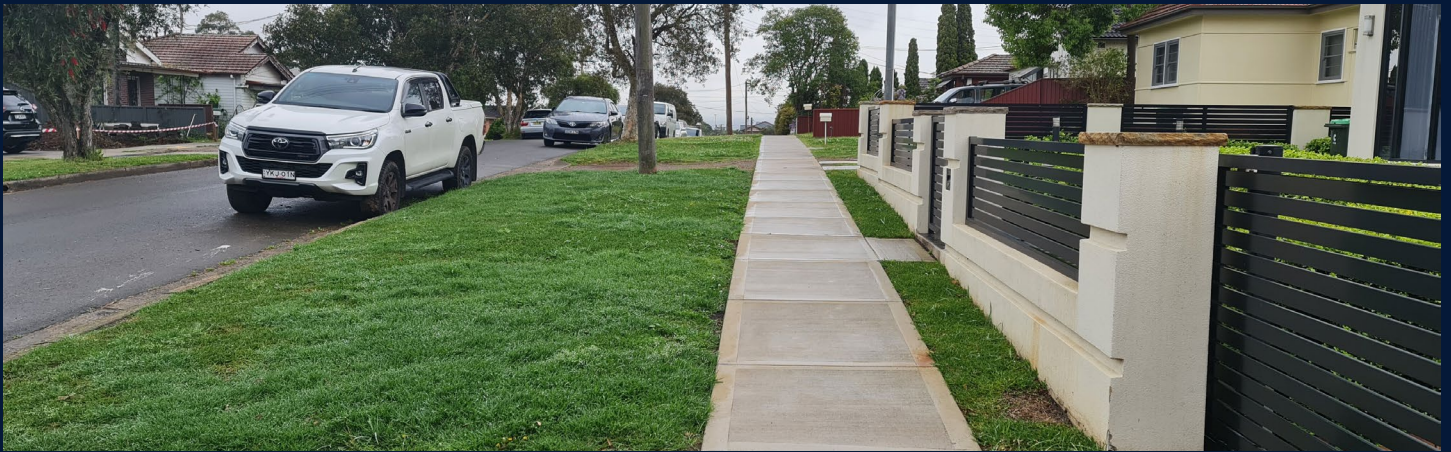

Hector Street Bridge Renewal Works

Bridge widening works provide additional safety and traffic flow benefits both in short and long terms. This also helps extend serviceable lifespan on the Hector Street bridge and improves ride quality.

Auburn Civic Centre Air Conditioning Upgrade

This project involved the replacement of mechanical equipment, the upgrade of mechanical systems and the provision of new systems at the Auburn Civic Centre. The aim of the project was to replace dilapidated plant, improve control and monitoring and increase energy efficiency within the building.

New Street, Auburn Footpath Renewal

Construction of new standard residential concrete footpath including pram ramps.

Auburn Road, Auburn Asphalt Resurfacing

Road Resealing works from - Vaughan Street, To - Mount Auburn Road - Including minor patching and Kerb & Gutter replacement as required.

Blaxcell Street, South Granville Reconstruction of Failed Pavement

Road reconstruction works from Guildford Road to Markey Street, South Granville. Reconstruction of failed pavement including investigation & design, drainage improvement, Kerb and Gutter replacement and line marking.
